WM. JEWETT, TREASURER.

THE FOURTEENTH ANNIVERSARY

Was held in St. Ann's Church for Deaf-Mutes, New York, on Sunday evening, November 14th, 1886. Extracts from the Fourteenth Annual Report having been read, the Rt. Rev. Bishop Whipple made a touching and impressive appeal for the support of the work undertaken by this Society.

SPECIAL NOTICES.

Mr. James Lewis is authorized to act as Collector, and is commended to those on whom he calls.

The donation of $100 or upwards at one time makes the donor eligible for election as a Life Member.

Twelfth Sunday after Trinity offerings are requested from churches and individuals in the Dioceses of New York, Long Island, Albany, Northern New Jersey, Connecticut, Rhode Island, Massachusetts, Vermont, New Hampshire and Maine, the field to which the Society is now limited, and in which its missionaries are holding sign services at upwards of twenty-five different places.

Bible Classes for deaf-mutes meet in St. Ann's Guild Rooms on Sundays, at 4 P.M.

The Guild of Silent Workers meets on the last Tuesday of the month, at 8 P.M. This Society, through its officers and committees, has been instrumental in extending aid to many deaf-mutes and their families in times of trouble. The Secretary is Mr. Thomas F. Fox, and the Treasurer, Mr. Isaac N. Soper.
One great object of "The Church Mission to Deaf-Mutes" is to bring deaf-mutes, after they leave school, into pastoral relations. Among the so-called Protestant bodies, the Church with its Book of Common Prayer, with its lessons from Holy Scripture systematically arranged, with the special teachings of the changing seasons of the ecclesiastical year, and with so much that speaks to the eye in its ritual, offers so many advantages that it has drawn within its fold large numbers of our silent brethren. It is hoped that the Rectors will search out the deaf-mutes who are near them and invite them to attend service, seeing that persons are appointed to show them the places in the Prayer Books and Bibles.

The Fourteenth Annual Report

Of The Trustees Of

The Church Mission to Deaf-Mutes.

During the past year our missionaries and lay readers have held sign services on Sundays and weekdays in some twenty-five different cities and towns of the Dioceses of New York, Albany, Long Island, Northern New Jersey, Connecticut, Rhode Island, Massachusetts, New Hampshire, Vermont and Maine. We ask that the important work undertaken by our Society to gather into pastoral relations our deaf-mute brethren after they leave the institutions, may be sustained by annual offerings from churches and individuals in these Dioceses on the Twelfth Sunday after Trinity, or some other day if more convenient. It would encourage us if the Rectors would allude to the Mission to deaf-mutes on the day when the Gospel recites the miracle of curing the deaf and dumb man.

These sign services are, with the Divine blessing, constantly leading deaf-mutes and their families to Baptism, Confirmation and the Holy Communion. They learn how to use the Bible and the Book of Common Prayer in the services of the Sanctuary. While our liturgical forms are a great help to them in cultivating the idea of worship, they take as much pleasure in sign services and sign sermons as the hearing do in those conducted by the sound of the human voice. We feel, therefore, that the language of motion should be continued and perfected as a powerful instrument in the spiritual culture of deaf-mutes.
The General Manager and his Associates have also been busy in the never-ending work of seeking employment for deaf-mutes. While many, especially skilled artisans and laborers, readily find, through friends or by their own exertions, situations in which they can support themselves, there are also many who, if left to themselves, would soon become dependent upon charity. Efforts in this important department, are chiefly put forth in New York City and vicinity, but as our missionaries go from place to place to hold sign services, they occasionally lend a helping hand to those who are looking for employment elsewhere. We have continued our care of the sick and the poor, and in various other ways have endeavored to encourage deaf-mutes to fight the battle of life as Christian men and women.

The great event of the year was the purchase of desirable and valuable property on the Hudson River, between New Hamburg and Poughkeepsie, as a permanent Home for aged and infirm deaf-mutes. We have secured a productive farm of 156 acres with a large mansion house, a farm house, two barns and other out-buildings, stock, farming utensils, etc., for $27,500, and have expended about $2,500 for repairs, making the whole cost of the property about $30,000. The only indebtedness is a mortgage of $15,000, which we trust may be speedily canceled so that “The Gallaudet Home for Deaf-Mutes” may be able to increase its accommodations.

Having removed the inmates of No. 220 East Thirteenth Street to this country home, we continue to rent the place and call it the Mission House. Rev. Mr. Chamberlain and his family reside there; Rev. Mr. Colt makes it his home, and there are several deaf-mutes boarding there. We hope to make it, in various ways, a center of good influences among the deaf-mutes of New York.

We trust that the following reports of the laborers in our field will be read, for the details are full of interest.

We take great pleasure in printing in an Appendix abstracts of the Reports which are made by the laborers in other departments, so that a general idea can be formed of what our Church is doing for the deaf-mutes of our country.

The Third Conference of Church Workers among deaf-mutes was opened in St. James’ Church, Chicago, on the 25th of October, 1886.

In closing their Fourteenth Annual Report, the Trustees, with hearty thanks for all the aid they have received, earnestly appeal for a greater income to sustain the increasing work intrusted to them. It would encourage all who are engaged in this Mission to see the list of life members enlarged. It consists of those who are willing to contribute One Hundred Dollars at one time. Donations may be sent to Mr. Wm. Jewett, Treasurer, 107 Grand Street, or to the General Manager, Rev. Thomas Gallaudet, D.D., 9 West 18th Street, New York City.

New York, Oct. 27th, 1886.
GENERAL MANAGER'S REPORT

FOR THE

QUARTER ENDING WEDNESDAY EVENING, JAN. 27, 1886.

On Sunday, Nov. 29th, I conducted a sign service in Christ Church, Brooklyn, E. D.; Dec. 6th, in All Saints', Providence, and St. Paul's, Pawtucket; and Jan. 24th, in Trinity, Easton, Pa., and the Reformed Church, Riegelsville, Pa. On the other Sundays I was at St. Ann's, New York. On the 20th of Dec. we had a missionary combined service in St. Ann's. Rev. Messrs. Krans, Chamberlain, Colt, Syle, Mann, Turner and myself officiating. The three deaf-mute clergymen made sign addresses which I interpreted orally. In the evening we celebrated the 13th Anniversary of our society in Trinity Chapel. I interpreted the service as conducted by Rev. Dr. Swope and Rev. Mr. Martin, the address of the Assistant Bishop, and the sermon of the Rev. Dr. Hall. On Sunday evening, Jan. 10th, Dr. Hall kindly repeated this sermon in the Church of the Holy Trinity, Brooklyn. I was present to interpret for deaf-mutes.

I have interpreted at services in St. Ann's Church on Thanksgiving Day, Christmas and Epiphany. I regretted that a wedding on Jersey City Heights kept me from attending the Epiphany night service at which sign recitations, under the direction of Dr. Peet and Miss Montgomery, were given by Mr. Gamage, Mr. Jones and six girls from the N. Y. Institution for Deaf-Mutes.

I have conducted services for deaf-mutes in Beverly, Salem, Worcester and Allentown. In Beverly, Dec. 1st, I assisted Rev. R. Cotton Smith, rector of St. Peter's Church, at the funeral of Florence Bailey, daughter of a deaf-mute couple, and on Dec. 5th, baptized a young lady and a child connected with deaf-mute families.

I have visited the Home several times and conferred with Rev. Mr. Chamberlain and wife in relation to the inmates. All were much gratified at the kind Thanksgiving and Christmas remembrances.

I have been with quite a number of deaf-mutes in sickness and trouble, and helped several to find employment.

Jan. 5th, I spent the day in Albany, visiting several of the State officials with Mr. H. C. Rider, in relation to the Northern New York Institution of Deaf-Mutes, of which he is the Superintendent.

Jan. 23d, I met Mr. Koehler, the lay reader, who is doing itinerant missionary work in the Diocese of Central Pennsylvania, in Allentown, and spent several days with him in services for deaf-mutes, in Allentown, Easton and Riegelsville, Pa., and Stewartsville, New Jersey. At Riegelsville I baptized three children of deaf-mute parents, and three deaf-mute men. At Stewartville I administered the Holy Communion to a deaf-mute woman who has been for several years crippled with rheumatism.

I have, as usual, been very busy with an extensive correspondence on matters pertaining to work among deaf-mutes.

It has been an encouraging quarter for the great object we have had in hand. The most important step was the purchase of the farm near Poughkeepsie as a Home in which deaf-mutes can be useful and enjoy religious privileges and pastoral care.

THOMAS GALLAUDET.

QUARTERLY REPORT OF THE GENERAL MANAGER TO THE TRUSTEES.

Presented WEDNESDAY, April 28th, 1886.

During the three months ending this evening, it has been my privilege to do something every Sunday in church work among deaf-mutes in St. Ann's Church, New York; in St. Saviour's Church, St. Luke's, St. Peter's (Germantown), Church of the Holy Apostles, Holy Trinity and Incarna-
tion, Philadelphia; Christ Church, New Brighton, Staten Island; All Saints', Providence; Church of the Good Shepherd and St. Matthew's, Boston; St. Andrew's, Harlem; Trinity Church, West Troy, and St. Paul's Church, Albany. At week night services I have officiated in All Saints', Worcester; Grace, Nashua; St. Stephen's, Lynn; St. Paul's, New Haven; Trinity, Mt. Vernon; Heavenly Rest, New York, and St. Peter's, Port Chester. I have also had services for deaf-mutes in Lowell, in the room of their society, and in the School for Deaf-Mutes at Beverly.

During Lent, Holy Week and Easter, I interpreted for deaf-mutes at several services in St. Ann's Church.

On Wednesday, February 17th, in St. Matthew's Church, Brooklyn, I assisted at the funeral of Miss Mary C. Lathrop. She and her family were intimately connected with our early efforts in church work among deaf-mutes. Her deaf-mute sister died a few months before St. Ann's was founded.

I have married a couple of deaf-mutes, baptized a child of deaf-mutes and a deaf-mute man, and officiated at the funeral of the father of a deaf-mute woman.

I have administered the Holy Communion to a deaf-mute woman. I have given considerable attention to the case of Miss Minnie Pancoast. I have conducted an unusually large correspondence in relation to the work our society has in hand, as well as to many points connected with the institutions for deaf-mutes. I have written to a lady in Bombay in reference to the instruction of a deaf-mute daughter of a Parsee resident of that city.

Returning from Philadelphia on Monday, March 29th, I stopped over in Newark, and met, by appointment, a Committee of the Board of Education to consult as to the expediency of establishing a day school for deaf-mutes in that city.

On the 22d of February I attended, by invitation, a large gathering of deaf-mutes in Boston, and aided them by interpreting, and otherwise, in their plans to add to the fund which is being accumulated by the deaf-mutes of the whole country to erect a bronze monument to the memory of my father in Washington.

I have found work for several deaf-mutes, attended some of the meetings of the Guild of Silent Workers, visited the Home, and in various other ways tried to make the purposes of our society as effective as possible.

I appreciated the great honor conferred on our family and myself in the vote of the Trustees at their last meeting, in calling our recently acquired property on the Hudson River, “The Gallaudet Home for Deaf-Mutes.” I trust we have founded a place where great good will be done to our silent brethren. I have visited this Home several times. Its first inmates were received on Thursday, April 22d. Rev. Mr. Chamberlain took them up from our city Home. Things seem to be moving on in the right direction.

Sept. 5th, I conducted the services of St. James Church, Goshen, N. Y. The offerings, amounting to upwards of $147, were appropriated to our Mission. The 12th Sunday after Trinity, sometimes called Ephphatha Sunday, I preached in relation to our work in Grace Church, Jersey City, Grace Church, N. Y., and Calvary Church, Williamsburgh, besides at 3.30 P.M. holding a sign service in the Church of the Holy Communion. The 19th, I took the sign service at the Church of the Holy Communion. 26th, I administered the Holy Communion in the Chapel of the Gallaudet Home to most of the inmates, and in the evening at Zion Church, Wappinger's Falls, conducted a combined service and spoke of our work.

October 3d, I assisted in the services of Trinity Church, and the Chapel of the House of the Good Shepherd, Asbury Park. 10th, St. Ann's was re-opened, bright and cheerful with new choir stalls. The new surpliced choir took the musical portions of the service in a satisfactory manner. We had a celebration of the Holy Communion at the afternoon service for deaf-mutes. We observed the day as our 34th Anniversary. 24th, assisted at services in connection with the Third Conference of Church Workers among Deaf-Mutes in Chicago.

On Aug. 9th we had a combined service in St. Luke's Church, Rochester, and on Oct. 22d, a service for deaf-mutes in Grace Church, Cleveland. I have spent much time at the Gallaudet Home directing repairs and attending to other business matters in that connection.
I have also had charge of our Mission House which, since the opening of the new Gallaudet Home, we have opened in the building in this city that was formerly used for the Home. A number of deaf-mutes, who had real need of such a refuge, have gladly availed themselves of its privileges. Doubtless a wide range of usefulness will gradually open to this Institution if we can persevere in the venture we have made in its establishment.

I was confined there until to-day, Oct. 25th, when I came to Boston, intending to-morrow to go to my brother's in Vermont, hoping there, if God will, to recover strength to resume my work.

Beyond these public duties I have been occupied with the usual variety of more personal pastoral ministrations for the deaf.

I have spent considerable time at the Gallaudet Home endeavoring to forward our business interests there, and as representative of the Rector and several Vestrymen have given much attention to the repairs of St. Ann's Church.

I have also had charge of our Mission House in New York City, and think that real good has been done there, though not so many have availed themselves of its privileges as some of us had hoped would do so. I am convinced that the Mission House is an important feature of our work, and destined, if it be continued, to become much more so.

Report of Mr. James Lewis.

Mr. Lewis has been busy for another year in the important work of collecting the money which is needed to sustain "The Church Mission to Deaf-Mutes."

He has secured several valuable gifts to the Gallaudet Home for aged and infirm deaf-mutes. He has led in the responsive portions of the sign service in St. Ann's Church for Deaf-Mutes.

He has been occupied in the Bible Class for Deaf-Mutes which meets in the Sunday School room of St. Ann's Church, on Sundays, at 4 o'clock P. M.

He has held occasional sign services, and visited one brother in sickness and trouble. The collection amounts to $11.09, and the expenses to $13.44. Mr. S. P. Cornelius, the Treasurer, has $30.43 in the Treasury of the Class. The Prayer Book Fund has $1.00 on hand.

The Confirmation Class was pretty well attended. It was instructed in the Church Catechism. Four muted candidates were confirmed for Confirmation.

They were confirmed by the Assistant Bishop on the third Sunday after Easter, 1886.

THE MISSION HOUSE.

This center of the work of the Mission is at 220 East 13th Street. The rent, $1,200, is paid by the Society. The other current expenses are mostly paid by the board of the household. Two of the Missionaries have lived there during the past year, and several deaf-mutes, able to pay their board, have found a cheerful Christian home there. It is very desirable to have such a House in this great city so that deaf-mutes can find there the helping-hand they may temporarily need. Those who have become permanently incapacitated, are sent to the Gallaudet Home near Poughkeepsie.

Supplies were kindly sent in for Thanksgiving and Christmas by Mrs. Russell, Mrs. Newcomb, Mrs. Bushnell, Mrs. Comstock and Messrs. Huyler & Co.

The Building Fund.

Last year the Treasurer reported $11,187.33 in his hands. This amount has all been used in acquiring the Home and farm near Poughkeepsie. Dr. I. L. Peet reported $2,300. This was increased by interest and donations to $2,381.29. Dr. Peet paid over to the Treasurer for the Home $1,600, leaving a balance in his hands of $781.29.

Mr. C. R. Thomson's Report on a preceding page speaks for itself.

mutes present, during the afternoon of that day baptized one of these deaf-mute children—a child of deaf-mute parents.

He was also, as you are aware, lately with us on the fourth Sunday evening in Advent (December 19th), and interpreted the service for our deaf-mute friends, of whom there were six then present in the congregation.

Occasional services have been held in St. Peter’s Church, Portchester; St. Mark’s Church, Tarrytown; in Poughkeepsie, at Christ Church, St. Paul’s Church and the Holy Comforter and Zion Church, Wappinger’s Falls.

Report of Mr. George W. Schutt.

In April, 1886, Mr. Schutt left Trinity Church, Saugerties, whose Rector, the Rev. Thomas Cole, had taken so much interest in the work he was doing among deaf-mutes as a Lay Reader, and removed with his family to the “Gallaudet Home for Deaf-Mutes,” near Poughkeepsie. Having assumed the position of House Superintendent and Chaplain to which he had been elected by the Trustees, he has conducted frequent services in the Chapel of the Home, and several in the places he had been accustomed to visit. As soon as he gets settled in his new and responsible position, he expects to do more missionary work among deaf-mutes in the Dioceses of New York and Albany.

SERVICES FOR DEAF-MUTES IN NEW ENGLAND

Report of Mr. William Bailey.

BEVERLY, MASSACHUSETTS.

Mr. Bailey reports work among deaf-mutes in various places. Could the means for his support be furnished, he would be glad to devote himself to missionary work among his brethren.

The Gallaudet Home for Deaf-Mutes.

EXECUTIVE COMMITTEE OF THE TRUSTEES.

P. P. Dickinson, W. O. Fitzgerald,
I. L. Peet, G. Fersenheim,
H. F. Harkner, C. R. Thomson,
E. H. Currier, Secretary.
G. W. Schutt, House Superintendent and Chaplain.
J. R. Graham, Farmer.

The inmates were removed from New York City to the Home in May, 1886. Fourteen, eight men and six women, have been cared for. One of the women is deaf-mute and blind.

In the purchase of this property a mortgage of $15,000 was assumed, and $12,500 paid in cash. Some $5,000 additional have been expended in repairs and the support of the Home to the end of October, 1886.

The inmates have been able to do considerable work on the farm and in the house, and thus have been much happier than they would have been in idleness. The Home looks after those who are physically incapacitated from fully supporting themselves, and without this Christian refuge would find their way to the alms-houses. The Home is entirely supported by charitable donations from individuals and churches, receiving no aid from the State.

The inmates enjoy frequent religious services, the Holy Communion having been celebrated in the chapel once a month. On the 10th of May the Rt. Rev. H. C. Potter, D.D., visited the Home and confirmed four of the inmates.

Hearty thanks are returned to all who have, in various ways, contributed to the support of this Refuge for aged and infirm deaf-mutes.

On the 17th of June the Home was officially opened. Quite a company of the Trustees and their friends went up from New York, and others came from Poughkeepsie, New Hamburg and Wappinger’s Falls. There was a
short service in the chapel, after which Dr. Isaac Lewis Peet, Principal of the New York Institution for the Deaf-Mutes, delivered the following address:

ADDRESS

BY ISAAC LEWIS PEET, LL.D., AT THE OPENING OF THE GALLAUDET HOME FOR DEAF-MUTES, JUNE 17TH, 1886.

LADIES AND GENTLEMEN:—It is related in that wonderful allegory wherein Bunyan details the Pilgrim’s progress from this world to that which is to come, that Christian after losing his burden at the cross and following the strait and narrow path up the hill of difficulty, came at last, footsore and weary, to the palace Beautiful, through the gates of which the porter admitted him, and where Discretion after carefully examining his credentials, introduced him to her fair sisters Prudence, Piety and Charity, who beguiled him with heavenly discourse, gave him to eat of satisfying food—and finally conducted him to the Chamber of peace where he obtained perfect refreshment through sleep.

During his sojourn in this quiet and charming place, he enjoyed entrancing views of the Delectable mountains in Immanuel’s land, and of the river that separated them from the Celestial City. Here, too, he was furnished by his thoughtful friends with the Armour that was to enable him to withstand the enemies that would beset his way, and here, too, did he receive those final instructions that made plain the path he was destined to tread.

In such a place have we assembled to-day—a palace beautiful, a home for weary pilgrims who need this rest, this refreshment, this instruction, this encouragement and this panoply. Its access is well guarded by Discretion—none may enter except those who ought to be here. Prudence will see to it that the means employed shall be adapted to the ends desired, that extravagance shall be avoided on the one hand and niggardliness on the other, and that wisdom shall be exercised, both in what is exacted and in what is conceded. Piety will build up and strengthen, soothe and encourage, energize and fortify, while mild-eyed Charity will bring sympathy and succor, health and hope.

Here, literally, are exposed to view the Delectable mountains, the charming river and even the gates of pearl, and the walls of jasper and the streets of gold which glow so conspicuously as the setting sun illumines the dying day—and here are forged that armor and those weapons of proof which will enable those who have not yet reached the meridian of life to go forth with new strength and experience, to take up the thread of progress, temporarily dropped, and to contend successfully against the odds that would have been too much for them, but for this temporary refuge.
of duty, and enforced upon them those great principles of the Christian religion which make men strong and faithful, and women pure, lovely and devoted.

For those whom he could benefit in no other way, viz., the aged and infirm, he established a home where they could be cared for in respect to all their physical needs, and daily receive the ministrations and consolations of religion.

What he was doing in New York City he longed to see extended to other parts of the country, and, aided by noble co-workers in the parish of St. Ann's, and by men and women of other churches, and even of other denominations of Christians, he was able to establish the Church Mission to Deaf-Mutes.

What this Mission has accomplished during the fourteen years of its existence, is without a parallel in the annals of the deaf. Three deaf-mute clergymen have been ordained; a considerable number of deaf lay readers have been led to devote themselves to labor among their fellows, and three hearing clergymen have given their full time to this great and important work.

Sunday Schools and Bible classes have been founded, and church services have been held at regular intervals throughout the States of New York, New England, Pennsylvania, and Maryland, in Virginia and other States of the South, and in Ohio and other States of the West.

The Home for Aged and Infirm Deaf-Mutes has been carefully nurtured. Subscriptions toward a building fund have been raised, and, at last, a productive and beautiful farm has been secured, and the commodious and comfortable mansion where we are now assembled, provided. With this, the scope of the work has been both extended and restricted; extended, in that it has been determined to assemble here not only those, who, by reason of advanced years, or of bodily infirmities arising from other causes, are dependent upon this resource, but also those who need a temporary asylum until they can obtain employment suited to their abilities, and where, in the study of agriculture, an employment which is peculiarly congenial to deaf-mutes, they may hope to become fitted for a new sphere of usefulness, and to be placed in the way of meeting a demand for such services as they can render; restricted, in that a residence of some years in the State will be required to enable them to become beneficiaries. But for this restriction, it would be obviously impossible to carry on this work, because the poor and the infirm among the deaf-mutes in all the world would flock hither and knock for admission.

To encourage the benevolent in other States to take care of their own disabled deaf-mutes, a fee will be charged to those sent therefrom, in the hope that similar homes will be established in different parts of the country. That this home is a necessity is evident from the condition of those already gathered here. It is more evident from the condition of many that are seeking admission.

Some ten years ago, left the New York Institution for the Instruction of the Deaf and Dumb, a young lady in the full possession of her faculties, a happy member of a happy home. Her parents died, and she was left to the care of an aged grandmother; one day she suddenly lost the sight of one eye. She was at once taken to an eminent oculist, who not only gave no encouragement to the belief that the sight of that eye would be restored, but declared that it would not be long before she would lose the sight of the other eye. In two weeks she was totally blind. No one at her home could thenceforth communicate with her; and, for some time, she has been left isolated and unhappy. Her grandmother has lost her property and is herself dependent upon the benevolence of a friend. There is no place left for this child of misfortune but this blessed home, where, amid the companionship of those who will know how to communicate with her, she will find that happiness that has so long been denied her.

A father lately called upon me to say that his wife had recently died, and that it was impossible for him to guard and support his deaf-mute son, a young man without hands. I told him of this home and his sorrow was changed to joy. Another father, dependent upon what he could earn from day to day, whose wife had died, and who had on his hands two able-bodied deaf sons, for whom he could obtain no work, came to me and asked if we could not take them to the Institution. I looked at our books and found that the State had already given them all the time with us that the law would allow. I told him that I thought they could be taken to this home and cared for until employment could be procured for them. The look of gratitude that came from his eyes will reward me for all that I have personally ever done for the establishment of this home.

A home such as this, resulting from the influences I have described, could have but one name, that which the members of the Church Mission unanimously decided to give—"The Gallaudet Home for Deaf-Mutes."

This will be an object which, I hope, all teachers of the deaf will teach their pupils to foster, according to the means with which providence may endow them, feeling that, as they have freely received, so also should they freely give.

It appeals quite as strongly to all who are not deaf. Is it nothing that we, my friends, have all our faculties unimpaired? Is it nothing that few of those who have come here to-day have not, every year, a surplus that they can devote to the benefit of those who are not so fortunate?

Liberty, fraternity, equality, though originated as a phrase in atheistic France, is in one sense a Christian maxim, the maxim of a religion which seeks not to pull down, but to lift up, to give of its superfluity to those who are downtrodden, "to comfort all that mourn, to give unto them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness." This home, we hope, will, in time, prove self-supporting, but it is not so now. A debt of $15,000 is yet to be extinguished. The State has done its part in giving education both in intellectual development and in manual training to so many of its deaf children, that the majority are able to support themselves. Let the church take up its burden, and see that those for whom education, however thorough, is not sufficient, shall receive what she can give in the way of compensation for misfortune.
In addition to the cash donations which are acknowledged under another head, the following gifts of articles have contributed greatly to the comfort of the Home:

The Gallaudet Home for Deaf-Mutes Society.

At a meeting of deaf-mutes, held in the Sunday School room of St. Ann's Church, New York, on Tuesday evening, November 9th, 1886, the undersigned proposed themselves as an Executive Committee to invite the deaf-mutes of New York to unite in "The Gallaudet Home for Deaf-Mutes Society."

All persons, who annually pay One Dollar, or upwards, towards the support of the Gallaudet Home for Deaf-Mutes, are entitled to membership. All members are expected to invite others, especially their relatives and friends, to join this society, by paying annually at least One Dollar each into its Treasury.

The Executive Committee shall have power to fill its vacancies and to appoint an officer as its Secretary and Treasurer, who shall be authorized to appoint local Treasurers in different parts of this State. They shall send to him, once a month, the money they have collected, with the names of the contributors, and he shall send the money in his hands, at the end of each month, to the Treasurer of "The Church Mission to Deaf-Mutes," to be used exclusively for the support of "The Gallaudet Home for Deaf-Mutes," under the direction of the Executive Committee appointed by the "Church Mission to Deaf-Mutes," to direct the affairs of the Home.

The money collected by "The Gallaudet Home for Deaf-Mutes Society," shall be used primarily for the current expenses of the Home. The surplus shall be funded for the mortgage until that is paid, and then for future buildings and improvements.

The Executive Committee shall call a public meeting of deaf-mutes during November of each year, in the Sunday School room of St. Ann's Church, New York, and present a report of their proceedings and the amount of money collected.

BRIEF REPORTS FROM OTHER DEPARTMENTS OF CHURCH WORK AMONG DEAF-MUTES.

For additional information, please send for a copy of "The Proceedings of the Third Conference on Church Work among Deaf-Mutes," to the Rev. J. M. Koehler, Secretary, Reading, Penn.; or the Annual Reports which are published under the direction of the Missionaries in the various Departments.
The Rev. Francis J. Clerc, D. D.,

Rector of St. Paul's Church, Philipsburg, Pennsylvania, and Vice-Chairman of the Commission on Church Work among the Deaf in the Diocese of Central Pennsylvania, has officiated at several special services during the year. Being unable to attend the third Conference on church work among deaf-mutes in Chicago, he forwarded two papers for its consideration. During the providential changes of a long ministry, he has accomplished some very effective work in the Church's mission to the deaf-mutes of our country.

In that day shall the Deaf hear the words of the Book.—Isaiah 29:18.

MISSIONARIES.

The Rev. Henry Winter Syle, Diocesan Missionary and Minister of All Souls' Church, 2142 Mount Vernon Street, Philadelphia.

Mr. James S. Wells, Lay-reader of Grace Church, 649 West Saratoga Street, Baltimore.

NECESSITY AND WORK OF THE MISSION.—Special religious ministrations and pastoral care for the deaf out of school are as much needed as special schools and means of education.

This Mission affords pastoral and charitable care and opportunities for public worship, religious instruction, and intellectual and social improvement. The poor, sick, and distressed are relieved, uneducated children are sent to the Institutions, ignorant adults are taught, the Gospel is preached to all.
The Mission cares for all, of whatever condition, race or denomination. Any family may have a deaf child. The Mission, while managed by the Protestant Episcopal Church, works for all and appeals to all.

Number.—In the United States, 35,000; in Pennsylvania, 3000; in our Missionary District nearly 3000, of whom 800 are in Philadelphia.

Condition.—Uneducated deaf-mutes have no correct idea of God, the soul, the Saviour, or any religious truth. They are practically heathen. They cannot learn spoken or written language in the same way as others, and lack the knowledge obtained through words.

Until comparatively recent times they were generally considered incapable of education. The first school in Europe began in 1760; the first in America not till 1817.

Even the educated are shut out by their deafness from ordinary public religious privileges. Many, too, know the English language imperfectly, using it like foreigners. They are thus, to a great degree, isolated in society and in the Church, and cannot be reached by ordinary religious and benevolent means.

Signs.—The natural language of imitative gestures, pantomime, or "signs," has been most largely and successfully used to awaken their minds and souls, to convey information, and to give moral and religious training. Only a small number have been taught to speak and read on the lips.

The Mission recognizes the fact that signs are at present the best, and often the only available, means of communication with the great mass of deaf-mutes; and that they are an efficient, acceptable and sufficient means of both religious instruction and public worship.

Dispersion.—The deaf are not gathered in whole families, as ordinary parishioners are, but are scattered, one here and one there, in different families, in every class of life, and in every part of the city and country. Deafness does not usually pass from parent to child.

An Individual Mission.—Hence the work of the Church among the deaf is a Mission to Individuals, who are sought out everywhere, from house to house. In the great cities congregations can be gathered, but composed of individuals, not of families.

St. Stephen's Church, Philadelphia, generously sustained the local Mission for several years. It is now entirely separate from any parish, and is called All Souls' Church. Itinerant work has been extended, as opportunity offered, to a distance of 200 miles.

In May, 1880, the Convention of the Diocese of Pennsylvania established a special commission to support the work and, with due permission, to promote its extension into the neighboring Dioceses. As a result, Central Pennsylvania in 1883 formed a similar Commission, which in 1885 was able to appoint a Missionary of its own, the Rev. J. M. Koehler; address 518 Spring Street, Reading, Pa. Mr. Syle still itinerates in New Jersey, Delaware and Maryland.

Support and Management.—In the Diocese of Pennsylvania the Mission is entirely under the care of the Diocesan Commission, which is appointed and presided over by the Bishop, and reports annually to the Diocesan Convention. It depends on the offerings of parishes and benevolent individuals. There is no endowment and no connection with any Parish, Institution or Home.

In Delaware the Diocesan Committee of Missions have adopted this work. Contributions should be sent to the Treasurer, Mr. H. H. Johnson, of Elliott & Johnson, Wilmington, Del.

In New Jersey and Maryland the work is under the Bishops and the rectors of the parishes concerned. Contributions may be sent to them or to the Missionary.

Services in Philadelphia.—At the Church of the Covenant, Filbert Street above Seventeenth, every Sunday, 2.45 p.m., Service, followed by Bible Classes. Thursdays, 8 p.m., Lectures and Literary Meetings. Occasional week-evening services at the Church or private houses.

Sunday mornings, at 10.30; first Sunday in the month, at Emmanuel Church, Marlboro' Street above Girard Avenue. Second Sunday, at All Saints' Church, Twelfth Street below Fitzwater.

Wilmington, Baltimore and Washington.—The Missionary holds service monthly at St. Andrew's Church, Wilmington.

Mr. Wells, Lay-reader in charge, holds service every Sunday afternoon at Grace Chapel, Baltimore, and performs pastoral work in the City and neighborhood.

Monthly services are maintained at the Church of the Ascension, Washington, under the management of the Rector, Rev. J. H. Elliott, D.D.

Visits are made to other places, and services held, as occasion requires. The Missionary will be grateful for information of persons in any part of his field needing pastoral attention.

Money Needed.—For current expenses of the Pennsylvania Mission, $2,500 a year. For the Church building, $26,000. Special contributions for charitable and discretionary use by the Missionary are helpful.

Collections.—Contributions are always acceptable. Two days in the year are especially appropriate for Church collections: the Fourth Sunday in Lent, recommended by resolution of the Pennsylvania Diocesan Convention; and the Twelfth Sunday after Trinity, when the Gospel relates the miracle of healing a deaf and dumb man.

Bequests.—"A provision for the deaf and dumb is one of the best subjects for a bequest that can well be imagined. What a blessed memorial
would this be for any testator, and how much in the pathway of our Saviour's example, who, when the maimed, and the halt, and the dumb, and the afflicted with sundry and sore diseases, were brought to Him, looked on them, and had compassion on them, and healed them all."

—Thomas Chalmers, D.D.

All Souls' Guild is the organization of the deaf congregation in Philadelphia, to aid in the support and work of the Mission, and for charitable purposes. It has several branches—the Clerc Literary Association, Pastoral Aid Society, Church Temperance Society and Bible Classes. It is trying to build a Church.

Rev. H. W. Syle, Pastor.  Mr. George Slifer, Secretary.

Mr. Wm. R. Cullingworth, 710 Tremont Place, Warden and Treasurer.

BUILDING FUND.

ALL SOULS' CHURCH FOR THE DEAF, PHILADELPHIA.

Behold, saith the Lord God, All souls are Mine.—Ezekiel 18: 3-4.

Need of a Church and Mission Rooms.—Services, week-evening lectures and meetings are held in various Churches, by the kind permission of the Rectors and Vestries. But ordinary churches are not arranged suitably for a congregation dependent on the eye; and they can be had only for very limited hours and under many restrictions. A small Church of our own, with office and class and reading rooms, is greatly needed. There are two such in London, one each in Manchester and Belfast, and funds are being raised in Liverpool, Edinburgh, Glasgow, and other places in Great Britain. St. Ann's, New York, is the only Church for the Deaf in America. The Guild is raising a Building Fund, which now (August, 1886) amounts to $4,000, and is securely invested.

COMMENDATORY LETTER FROM THE BISHOP.

Diocese of Pennsylvania, Episcopal Rooms, Philadelphia, April 17th, 1882.

The long-cherished desire of the Deaf-Mutes to have a Church of their own in Philadelphia is taking strong and definite shape. The Deaf-Mute Guild has already commenced a Building Fund, and efforts are being made in other quarters to secure so desirable an end.

Such a Church Building is desirable to meet the special needs of this class, so as to give them various rooms for services and for educational, social and beneficial meetings, supplying as well all the needs of public worship.

It would also be the centre of the whole work among Deaf-Mutes in this Diocese and its surroundings, being a kind of headquarters for all information and action in this department of Christian work. It would give to this Mission an independent position and dignity in the eyes of the community; it would stimulate the zeal and inspire the hope and exalt the whole tone of this class, if they could have such a distinct Chapel with all the appliances for their peculiar and most interesting work.

For these and other reasons, I cordially approve the plan and give it my full endorsement.

WM. Bacon Stevens, Bishop of Pennsylvania.

The Pennsylvania Diocesan Commission on Church Work among Deaf-Mutes, at a meeting held May 20, 1881,

Resolved, That this Commission approve of and wish well to the efforts of the Ephphatha Guild (now, 1886, All Souls' Guild), to build a Church for Deaf-Mutes in Philadelphia.

J. Andrews Harris, Secretary.

Contributions for the Church Building Fund may be sent to the Missionary.

Statement No. 5—Aug., 1886.

Report of Mr. James S. Wells, Lay-Reader.

Grace Church, Baltimore.

Rev. C. B. Brewster, Rector.

I am happy to say that my services to the Mutes in Baltimore have not been interrupted since I sent my report last year. I have three times attended the burials of the mutes. I have called to see some mutes in trouble and also made friendly visits to other mutes. I conducted five candidates for confirmation to Rev. Mr. Brewster, who presented them to the Bishop. Two of them were colored—one died last July at home. I hope he is happy in Abraham's bosom. I still feel deeply interested in the Mission, and I shall try the best of my abilities with God's help to make the mutes understand the duties of the Christian religion.

Yours, ever sincerely,

Jas. S. Wells.
SIGN services have been held by the Rev. H. W. Syle and the Rev. Dr. Gallaudet. A Bible class has been continued for several years by students connected with the National Deaf-Mute College. Mr. Robert S. Lyons succeeded Mr. James H. Cloud. Mr. Lyons, accompanied by his devoted friend, Mr. Francis Maginn, returned to his home in the spring of 1886, very ill, and was soon gathered to his fathers. Mr. Maginn returned in the fall and took charge of the class. As he soon expects to return to his native country, Ireland, as a missionary to his brethren, it is hoped that another faithful teacher may be found to take his place in the Bible class.

ACKNOWLEDGMENTS.

The thanks of the Church are due, and they are hereby tendered, the officers of the railway lines who have recognized the exceptional character of the Mission, and rendered the pursuit of its work over a vast area possible. Deaf-Mutes are few and widely scattered, rendering much travel necessary on the part of their minister in spiritual things. Being thus few, and of moderate means, they cannot meet his traveling expenses. The New York and the Bishop White Prayer Book Societies, through their Secretaries, Messrs. Pott and Biddle, have again favored the Western Deaf-Mute Mission with Prayer Books and Hymnals. These have been judiciously distributed.

My thanks are due The Churchman, Living Church, Standard of the Cross, Church Press, The Church, Church News, Southern Ohio Church Chronicle, Church Helper, Church Worker, and Iowa Churchman, for publishing Ephphatha appeals and acknowledgments without charge. Thanks are also tendered the daily and weekly papers of many places for the free publication of notices of services.

The valuable assistance rendered by the brethren of the clergy is greatly appreciated. They have reached the deaf-mutes living within their parochial limits with notices of special services, and encouraged their attendance at the regular services, by inducing their people to show them the places in the Prayer Book.

During my visits to St. Louis I have been hospitably entertained at St. Luke’s Hospital, under the charge of the Sisterhood of the Good Shepherd. For eleven years I have enjoyed their hospitality. I must not omit to thank the Deaf-Mute Journal, Deaf-Mute Advance, Deaf-Mute Mirror, The Vis-a-Vis, Deaf-Mute Record, Deaf-Mute Companion, Nebraska Journal, Kentucky Deaf-Mute, and Kansas Star for kindly publishing my appointments.

CENTRAL PENNSYLVANIA.

The Mission to the Deaf in this Diocese is carried on under the super-
vision of a commission established by the Diocesan Convention in 1882.
The Missionary is Rev. J. M. Koehler (ordained Deacon by Bishop Howe
on Whit-Sunday, 1886), who resides at Scranton, Pa., and who gives his
whole time to the work. His field covers 26,000 square miles, and he
reaches 1,600 people. His ministrations have been very successful, and he
has reported nearly eighty baptisms and over forty confirmations during the
three years in which he has had charge of the work. He has nearly one
hundred communicants, and thirty-five candidates for confirmation.
The following reports ending June 1st, 1886, will give some idea of the
work:

CENTRAL PENNSYLVANIA—1886.

In all respects this Commission presents a gratifying report for the past
year. The lay-reader and visitor, Mr. J. M. Koehler, submits detailed
statements. He has been instrumental in commending the Church's
Mission to many educated mutes remote from parishes, and in bringing un-
educated youth to the privileges of instruction. He has diligently
engaged in preparation for his own examinations, and is (D. V.) to be made Deacon
on Whit-Sunday in St. James' Church, Lancaster. He has received many
and valued tokens of interest and encouragement from the reverend clergy
and from the laymen of the Diocese, who have known him personally and
his work. The prospect of growth for the Mission was never, better than
now. The receipts have not, however, sufficed for necessary expenses, and
the members of the Commission are personally responsible to the Mission-
ary for the deficit in the moderate pledge of $400 per annum from Septem-
ber last. This deficit on June 1st was $91.67. The contributions of many
friends, made direct to the Missionary, have always been gratifying to the
members of the Commission, inasmuch as our pledge is very small. But
the Diocese has left us without power to collect or to pay the obligations
assumed. Doubtless, this was not intended, and doubtless, too, the present
embarrassment will be relieved; but the question is fairly presented as to
the future, whether the whole work of the Commission with its ordained
Missionary shall not now be committed to the Diocesan Board of Missions.
The Commission, however, respectfully and strongly urge that there are
many and strong reasons for our continuance, and offer the following
resolutions, recommending their adoption:

1. Resolved, That the pecuniary obligation of the Commission for the
current year ending September 1, 1886, be recognized by the Diocesan
Convention.
2. Resolved, That the Diocesan Commission for the work among the deaf be again commended to the Parishes.

3. Resolved, That offerings in this behalf be requested during the present and next month, with a view to the collection of $1,200 for all the expenses of the Commission.

Respectfully submitted,

M. A. DE WOLFE HOWE,
FRANCIS J. CLERC,

MILLEDGEVILLE, GA., March 17, 1887.

My Dear Friend and Brother, Rev. Dr. Gallaudet:

At your request, I will make a short statement of my work for the appendix you spoke of in your last. I am inclined to believe that you would like me to say where I labored during the past year.

I prosecuted my work in all of the Southern States except Texas. On my way to California I assisted you at services in Salt Lake City, and two or three other places.

After the adjournment of the convention, I conducted combined services in Portland, Oregon; St. Paul, Minnesota; Minneapolis and St. Louis.

I have just been to the Lunatic Asylum, to see a deaf-mute lady. I have been away from home since the 9th ult., and am still hard at work. I leave for Savannah and the South.

Yours fraternally,

JOB TURNER.

RECTOR OF CHRIST CHURCH, GUILFORD, N. Y.

To The Rev. Thomas Gallaudet, D.D.

Rev. and Dear Sir—In sending you the following report of services held by me for or on behalf of Deaf-Mutes in C. and W. N. Y., while acknowledging how little ground it covers, yet I cannot but be thankful that even so little has been accomplished.

Within the year, Oct. 1st, 1885, to Sept. 30th, 1886, the following services have been held:

Trinity Church, Geneva ................................................................. 2
Christ Church, Binghamton ......................................................... 2
St. Paul’s Church, Syracuse ......................................................... 1
Trinity Church, Utica .............................................................. 1
St. Paul’s Church, Oxford ......................................................... 1
St. Andrew’s Church, New Berlin ................................................. 1
Trinity Church, Seneca Falls .................................................... 1
St. Paul’s Church, Waterloo ..................................................... 1
St. Ann’s Church, N. Y., for Rev. Dr. Gallaudet ................................ 1

Total ......................................................................................... 11
I married one deaf-mute couple in Utica, and was present at the confirmation of two deaf-mutes in Christ Church, Binghamton, presented by the Rector, Rev. R. G. Quennell.

The work begun so auspiciously in Utica has been interrupted owing to the vacancy in the Rectorship of the parish with which it was associated; an offset to this is the continued interest in Binghamton, and the renewed effort in Syracuse, where, since the date at which this report closes, I now hold a monthly service in St. Paul's parish. In this connection it is only due to the Rector, the Rev. H. R. Lockwood, S.T.D., to acknowledge the interest he manifests, in being present and preaching at every service. No service has been held the past year in Watertown, where usually no year passes without one or more. In some of the above named parishes I have made oral addresses to the congregations gathered, there being no deaf-mutes present, on the subject of this work, and have in this way enlisted a wider interest in our efforts, and diffused a more definite knowledge of the claims the mission has upon the Church. Wherever I have been permitted thus to speak or to hold services, I have been met with the greatest kindness on the part both of Rectors and people. So far the work I have attempted, under many difficulties and amid other duties, has been only a permissive work. The day will undoubtedly come when the Dioceses of C. and W. N. Y. will take it up as a branch of Diocesan Missions, which it is now in effect, and then it will be found sufficiently important to occupy the time, and tax the energies of a special missionary. Until then I am trying to hold the ground as best I may with the time and means at my disposal. The growing importance of this field is attracting the attention of thinking men and women in the Church and outside of it. The Church ought to be alive to the possibilities presented; the results to be attained in ministering to a class of people like the deaf, differing only from the vast majority of our citizens, in that they are marked by "God's strange restriction on the lip and on the ear."

I have to acknowledge individual gifts for the support of the work in C. and W. N. Y. from Mrs. Wm. Gold Hibbard, of Chicago, Ill., and Mr. Peter Richards, of Geneva, N. Y., and offerings from the following parishes: Trinity Church, Geneva; St. Paul's, Syracuse; Trinity, Utica; St. Paul's, Oxford; St. Paul's, Waterloo; Trinity, Seneca Falls; Christ, Oswego; Grace, Baldwinsville; Christ, Binghamton; St. Thomas, Sherburne; St. James, Syracuse; St. Andrew's, New Berlin. My thanks are due to the Gen'l Pass. Agents of the following Railroads for courtesies received: D. & H. C. Co., L. V., N. Y., L. E. & W., D., L. & W., and N. Y., Ont. & W.

I am, Reverend and Dear Sir,
Your obedient servant in the Church,

THOMAS B. BERRY,
Rector of Christ Church, Guilford, N. Y.
PRAYER FOR THE DEAF.

O GOD, our Heavenly Father, Whose dearly beloved Son Jesus Christ, when He dwelt on earth, went about doing good; unstopping the ears of the deaf, and loosening the tongues of the dumb; look down with loving eyes upon all Thy deaf and mute children, and give them the special blessing of Thy mercy and grace. Let Thy fatherly hand ever be over them, let Thy Holy Spirit ever be with them; so that they may learn the truth as it is in Jesus, and believe in and rest upon Him as the Saviour of their souls, and find in Him that joy and peace which the Holy Ghost alone can bestow. Be with them, we beseech Thee, in all the trials and duties and dangers of this life, and may they so live in Thy fear and love here, that in the world to come they may ever, with open ears, and loving tongues, show forth Thy praise in Thy heavenly kingdom.

Hear us, O Lord God, through Thy Son Jesus Christ, to Whom, with Thee, O Father, and Thee, O Holy Ghost, be all honor and glory, now and forever. Amen.

Written and set forth by Bishop Stevens of Pennsylvania, Feb. 6th, 1881, and authorized in various Dioceses. Also suggested for private intercession, on Thursdays; on which day a similar Prayer, written by Bishop Alexander of Derry, is used in Great Britain and Ireland.

Copies, in large or small type, may be had of Rev. Henry W. Syle, Office, 2142 Mt. Vernon Street, Philadelphia.
