## Report of Head Deaconess.

---

*To the Bishop and Corporation of the Church Training and Deaconess House of the Diocese of Pennsylvania:*

Upon the Feast of the Epiphany, which was the thirtieth anniversary of the opening of the Church Training and Deaconess House, a beautiful service was held in our chapel in memory of Miss Mary Coles.

The Bishop of the diocese celebrated the Holy Communion, assisted by the Rev. Dr. Perry and the Rev. Dr. Robinson.

Dr. Perry had known Miss Coles from her early womanhood, and in the course of his very interesting address he spoke especially of her great and unremitting interest in all that concerned the School; also saying of Bishop Whitaker that, when he transferred to his coadjutor the administration of his diocese, he insisted upon one exception, saying, "One part of my work, the direction of the Church Training and Deaconess House, I will not give up to any one." Dr. Perry added, "They both loved it as their own child, whose birth and infancy they had watched, and we must not doubt that their interest and influence continue; that, though unseen, they are still watching and aiding our work."

When we look back over these thirty years, we think of many in "that great cloud of witnesses" whose interest and personality helped to make this School what it is: Of the Board of Council, Dr. John Ashurst, Jr., Dr. Wharton Sinkler, Dr. John K. Mitchell, Mr. George C. Thomas, and Mr. Arthur E. Newbold; of the Faculty, the Rev. Dr. Rumney, the Rev. Dr. Ely, the Rev. Dr. Micou, Dean Groton, and the Rev. Dr. Heffern; of the Board of Managers, Miss Coles, Miss Eliza-

beth Biddle, Miss Elizabeth Morris, Miss Maria Blanchard, Miss Agnes Irwin, and twenty of our graduates.

It seems very remarkable that in all these thirty years there have been but two Presidents of the Corporation, Bishop Whitaker, and Bishop Rhineland; two Wardens, the Rev. Dr. Rumney and the Rev. Dr. Perry; two Secretaries of the Corporation, Mr. Ewing L. Miller and Mr. Charles Sinkler; one President of the Board of Managers, Miss Coles; two Vice-Presidents, Miss McVickar and Mrs. Effingham Perot; and two Head Deaconesses, Deaconess Sanford having served twenty-two years before being obliged to resign on account of failing health.

It is ten years since Bishop Rhineland took Bishop Whitaker's place, officially as President of the Corporation, and practically as counsellor, adviser, and most interested friend.

Twenty-seven years ago Dr. Perry became a member of the Faculty, and twenty-five years ago he succeeded the Rev. Dr. Rumney as Warden, and ex-officio member of the Board of Council. The Rev. Dr. Robinson has now served as a member of the Faculty for over thirty years, as well as being Chaplain for over twenty years. Dr. Egbert also has taught for over thirty years. When Mr. R. Francis Wood resigned, he had served on the Board of Council for thirty years.

Mr. John Cadwalader has served on the Board of Council for eleven years; Dr. Francis R. Packard took Dr. John K. Mitchell's place in 1917, and every year we are deeply indebted to him for advice and treatment as well as for operations upon our students.

Two charter members of the Board of Managers are still with us, Mrs. Effingham Perot and Miss Esther Aertsen, now an honorary member but keeping up her interest and attending the meetings. On the Board of Associates, of which Mrs.

Perot has always been a most interested member, Mrs. Frank Williamson has served as Treasurer for twenty years, and Miss Juliana Wood, who became a life member of the Corporation the year it was formed, is still an interested member of the Board of Associates. At the end of this long list stand two, one of whom has entered upon her thirty-first year, the other upon her twenty-seventh year, of humble, devoted, loyal service, our Sarah and Maggie. The fruits of all these years of labor are before us. Of our graduates—

110 are in active service;  
20 have entered the life beyond;  
38 are married;  
13 have retired, though most of them are still doing all their strength will permit;  
14 are for various reasons living at home, some hoping soon to be able to go to work again;  
5 whereabouts unknown;  
1 is supporting herself as a physician;  
1 as a nurse;  
1 is taking a special course of study;  
5 are in training in hospitals.

The 110 in active service are working throughout the length and breadth of our land, in Philadelphia and thereabout, Washington, New York, Brooklyn, Boston, Providence, Buffalo, Cleveland, Detroit, Cincinnati, Chicago, St. Louis, Des Moines, Minneapolis, and elsewhere in the States of New Hampshire, Connecticut, Maryland, Delaware, Virginia, North Carolina, Tennessee, Ohio, Kansas, S. Dakota, Texas, California, Washington, and in the mission fields of Africa, Alaska, China, Cuba, Japan, and the Philippines.

I cannot give the number of special students, but there have been many; at present we have 15 at work in the foreign mission fields of Africa, China, and Japan; 1 in Philadelphia, 1 in Washington, 1 in Vermont, 1 in Raleigh, N. C., 2 in Ari-

zona, 1 in Ohio, and 1 in the southern mountains. The Alumnae Association was organized in 1906, and the members have always done all in their power to help forward the interests of the School; at our annual meeting in 1915 it was suggested that we try to raise a scholarship; the first contribution came that autumn from one of our Deaconesses, she sold a little jewelry that had belonged to her mother, feeling that in giving it toward the scholarship she was investing it in a human soul going forth to work in the Master's vineyard, and that her mother would rejoice. Since then the Association has raised five scholarships, the first gave a senior year, the second and third carried one student through both her junior and senior year, and the fourth and fifth are being used this year. Now we are at work upon two more, one in memory of the Rev. Dr. Heffern and one as a token of appreciation of Dr. Robinson.

There has been one change upon the Faculty, the Rev. Dr. Anthony was obliged to resign on account of his health and the Rev. Frederick E. Seymour was appointed in his place. Mrs. Perot, as Vice-President of the Board of Managers, acted in Miss Coles' place, until she resigned her office in May, being made Honorary Vice-President; Miss Sinkler was made Vice-President in her place. Mrs. Samuel F. Houston and Mrs. William W. Frazier were made members of the Board of Managers. Vacant places have always been filled by the best of men and women, and we thank God for full ranks upon every Board and for our splendid Faculty, and we believe those who are watching us and helping us in the "great cloud of witnesses" are rejoicing with us.

Respectfully submitted,

CLARA M. CARTER,  
*Head Deaconess.*

**T**HE BOARD OF MANAGERS *wish to express their thanks to the Tuesday Missionary Bible Class for the Scholarship presented as a*

### **Memorial to Miss Coles**

*Given by them as a Thank Offering for the thirty-seven years during which her wise and loving teaching had inspired and guided them. For fifteen years a scholarship had been provided by the Class, and their desire to perpetuate her memory by this gift of over \$6,000 is deeply appreciated by the Board.*

## **Report of the Associates to the Board of Managers.**

---

**T**HERE are thirty-eight Associates, representing sixteen Parishes, and the work accomplished by them has this year been most encouraging. The attendance at meetings has, however, not been all that could be desired, and the need for new and interested Associates is greatly felt. The duties of an Associate are not strenuous, and the pleasure they are able to give is so great there should be many women anxious to be added to the list. During this year many extra things have been given by the Associates to the House, which added much to its comfort; among them, household linens and special

gas burners. Flowers have been provided each week for the Chapel, and there have been the usual teas. Christmas brings many opportunities, and not only have we been glad to bring happiness into "708", but have helped with the work being done by some of the Alumnæ. During the holidays, and at other times, students have been given tickets to concerts, lectures, etc., by individual Associates, and the Emergency Fund as well as the money provided for summer outings, is much appreciated by both Deaconess Carter and the students. The materials for the Lenten sewing in the School were given; and a much needed gift of money to one of the old students, home for a rest from her arduous missionary post. The tea on Commencement Day has become a delightful feature, and was especially pleasant this year. A good sum was raised at graduation time that gifts of money might be given to the graduates, to buy for themselves books. Many of the Associates have entertained students in their homes; a most delightful way to know the girls. This year there will be but two teas, it being felt that two more largely attended would be better than a greater number of small ones. The report of expenditures by the Treasurer follows:

## General Information for Prospective Students.

---

The Church Training and Deaconess House is intended to meet the needs of three classes of women:

1. Those who wish to prepare for the Deaconess Order;
2. Those who wish to devote themselves to Church work at home or abroad, but without entering an Order;
3. Those who wish to take up religious study for their own improvement, or to become more useful in their home parishes.

### ADMISSION.

Applicants for admission should be at least twenty-one years old and under forty. The course of study is planned for women having at least a high-school education or its equivalent.

An applicant will be required to answer in writing questions on the form which will be sent on request, and to send these, with the required certificate from her physician, to "The Admission Committee, 708 Spruce Street, Philadelphia, Pa." Students, upon entering the course of training, may be required to see and be examined by a physician approved by the Board.

It is required that applicants be vaccinated, that eyes, nose and throat be examined, and that teeth be put in order

before entering. If necessary to have the tonsils removed, it should also be done before coming to the School.

Applicants must be accepted by the Admission Committee and enter as student visitors for at least two months' probation before they can be recognized as students.

Only the names of regular students appear in our printed reports. No entrance examinations are required.

### COURSES OF STUDY.

1. *Regular Students*.—The full course of training covers two years.

2. *Special Students*.—Those who do not take the full course and are not eligible for graduation.

3. *Missionary Students*.—Women sent by the Board of Missions to be tested; their training is adapted to their special needs.

At the end of each term an examination is held, and no student is allowed to proceed if conditioned in three subjects.

### DIPLOMAS AND CERTIFICATES.

#### *By-Law, Article VIII.*

SEC. 5. Upon the satisfactory completion of the prescribed course of study and training, the student shall receive a diploma signed by the Bishop, Warden, President of the Board of Managers, and the Head Deaconess.

SEC. 7. The diploma of the House may be refused to any student not proving satisfactory at any time before the end of her training.

3. To non-residents completing the required studies in one or more departments a certificate of the work accomplished will be given upon application.

## OPPORTUNITIES FOR EMPLOYMENT.

We receive applications for graduates as parish and city mission visitors, Social Service workers, heads of day nurseries, orphanages, homes of various kinds, hospitals, settlement workers, teachers and principals of Church schools, diocesan deaconesses and missionaries for the home and foreign fields. Thus far we have always had more applications than we could fill.

## EXPENSES.

*Residents.*—The charge for resident students, including tuition, training and the use of necessary books, is \$300 for the school year, payable in advance, in October and February. This charge includes laundry of one dozen pieces weekly. Clothing must be distinctly marked.

Student visitors who leave during the period of probation are entitled to a refund of the first term's payment less the amount charged paying visitors for the time spent in the School.

Paying visitors are charged \$10.00 per week and are received on the invitation of the Admission Committee after application to the Committee.

Resident Students taking the full course are at no expense for the required practical training in summer except providing three wash dresses, preferably gray or light blue, and twelve white aprons for hospital work. They are entitled to spend their vacations at the school without extra charge, performing such duties as may be assigned them by the House Mother.

All necessities in the way of furniture and house linen are supplied by the school.

*Non-Residents.*—Women living in Philadelphia or its vicinity and attending the classes will be at no expense except for text-books, the tuition being free.

## THE UNIFORM.

A uniform of midnight blue serge with a plain coat and hat, sailor or other, to match in color, are worn after the first of November.

As uniform dresses made before entering the school are never satisfactory prospective students are requested to do nothing about this matter until they are in residence. Each student should be supplied with a very dark blue sweater.

## SCHOLARSHIPS.

A few scholarships are provided each year by friends of the school.

The Managers hope that, while no desirable applicant should be debarred from training through lack of means, she will, if possible, provide for the first year at least.

The course of training is so exacting that it has been necessary to prohibit students from attempting to work for their support while in the school.

## THE SCHOOL YEAR.

The Academic Year is divided into two terms of sixteen weeks each, and begins with the first Wednesday in October, ending with Commencement Day, the last Tuesday in May.

*Summer Work.*—In addition to the eight months of study, a Regular Student must give ten weeks each summer, or twenty weeks in all, to hospital service or other practical work assigned as an equivalent.

*Vacations* consist of ten days or two weeks at Christmas, one week at Easter, and six weeks in summer. It is planned that each student shall have one day each week at her own disposal.

### DIRECTIONS FOR REACHING THE SCHOOL.

Take a train which stops at Broad Street Station or the Reading Terminal. If you do not take a taxi, give your baggage check to the Union Transfer agent in the station, and get receipt. Take an east-bound car on Market Street, transfer at 8th Street, and get off at Spruce. Cross both 8th Street and Spruce. No. 708 is near 7th Street.

## **Prayer for the School.**

Grant, O Lord, we beseech Thee, that Thy blessing may rest upon our Training School, and upon every member thereof, both present and absent. Give to all of us grace to live in Christian love one toward another, to bear one another's burdens, and so fulfil the law of Christ; and to follow the example of Thy blessed Son, who pleased not Himself, and came not to be ministered unto but to minister: to whom, with Thee and the Holy Ghost, be all honour and glory, world without end. Amen.

## **The Prayer for Deaconesses.**

BY BISHOP THOROLD.

O Lord of souls, Who hast chosen and called me to service in Thy Church, all my trust is in Thee, for in Thee are the springs of my life. Abundantly give me of Thy Blessed Spirit, without Whom nothing is strong, nothing is holy; and use me as it shall please Thee for the glory of Thy name. Make my will patient, my conscience pure, my temper bright. Empty me of self, and fill me with the meekness of wisdom. Increase my faith, mellow my judgment, stir my zeal, enlarge my heart. Let my life enforce what my lips utter. Do Thou choose for me the work I do, and the place in which I do it; the success I win, and the harvest I reap. Preserve me from jealousy and impatience, from self-will and depression. Make me faithful unto death, and then give me the crown of life. All which I ask for Jesus Christ's sake. Amen.
