Minutes of the Annual Meeting.

Held November 10, 1922

THE meeting was called to order in the Church House at 4.30 o'clock P. M., with Bishop Garland in the chair; and was opened with prayer by the President.

The reading of the minutes of the previous meeting was, upon motion, dispensed with.

The report of the Head Deaconess was read by Deaconess Carter, and reviewed the past work and personnel of the School.

The report of the Treasurer of the Board of Managers was read by Mrs. Paul.

The report of the Treasurer was presented by the Secretary, and a summary thereof was read. It was referred to John Cadwalader and Charles Sinkler for audit.

The report of the Secretary of the Associates to the Board of Managers was read by Mrs. Medary.

All the reports were referred to the Publication Committee.

The printing of the Annual Report, and the number of copies of the same, was referred to the Publication Committee, consisting of Dr. Perry, Deaconess Carter, Miss Sinkler, and Mrs. Paul.

Resolved, That the report of the Secretary of the Associates to the Board be published after approval of the President of the Board.

The President announced the appointment of the Warden, the Head Deaconess, and the Board of Managers, as heretofore.

Upon motion, the present members of the Board of Council were re-elected.

Upon motion, duly seconded, the meeting adjourned at 4.50.

CHARLES SINKLER, *Secretary*.

Report of Head Deaconess.

To the Bishop and Corporation of the Church Training and Deaconess House of the Diocese of Pennsylvania:

One of the principal events of this year was Miss Julia U. Sinkler's election as President of the Board of Managers; her acceptance was hailed with joy by all connected with the Church Training and Deaconess House, as was also the election of Mrs. John M. Fries as Vice-President.

Just before the opening of school the Rev. Mr. Walenta, owing to illness, found he would be unable to take his classes on the Old Testament. The Bishop appointed the Rev. Percy L. Urban in his place for the year, and we felt it was very gracious of him to accept on such short notice.

In the spring the Rev. Mr. Medary accepted a call to St. Thomas' Church, Taunton, Mass. He kept up his lectures until he left Philadelphia, about Easter, then assigned a course of reading which carried his classes through the remainder of the year. He has taught Church History since 1913, and we are indebted to him not only for nine years of faithful service as a member of the Faculty, but for designing our School seal and pin as well as our beautiful diploma; he also served for a number of years as Secretary of the Faculty.

The Rev. Dr. Richardson accepted a call to St. Paul's Church, Burlington, Vt., which made it necessary for him to resign. He has taught "The Acts of the Apostles" and the Pauline Epistles, and last year, when the Rev. Dr. Robinson found it impossible to continue taking our early celebrations Sunday morning, Dr. Richardson assumed this responsibility. He also drew up a plan of study for the elective third

year which was tried out satisfactorily in 1919, and himself taught Public Speaking.

The Rev. Dr. Jefferys, of St. Peter's, consented to take Dr. Richardson's place on the Faculty, making himself responsible for our early services on Sundays and for the Saints' days as well; and the Rev. Percy L. Urban took Mr. Medary's place in Church History.

The Rev. Mr. Walenta was obliged to give up his classes on the Old Testament, having accepted a call for Missionary work in Minnesota having served most faithfully for three years. Owing to the Rev. Dr. Perry's indefatigable effort the Rev. Dr. Yerkes, of the Divinity School, has taken Mr. Walenta's place; we feel ourselves most fortunate to have these important places filled by such busy and able men. The faithfulness and zeal of the Faculty are beyond praise, and we appreciate all they have done and are doing doubly when we recall that their time and work are given without recompense.

A notable step was taken this year when Miss Sinkler added to the curriculum a course on Church Organizations, which included speakers on "The National Council," the Provincial System, Diocesan and Parish organizations. This course is to alternate with that on Social Problems.

While St. Martha's and the City Mission were as usual our two strongest centers for practical work, with the customary Sunday-school teaching and calling, several students assisted with the combined Church School and Church Service League which was held at the Pro-Cathedral Wednesday afternoons, while others gained experience in the work of the Church Service League at St. Philip's.

Relatives and friends of Miss Coles desiring to do something that would have pleased her put electric lights in about a

third of the House, including the chapel, drawing-rooms, and dining-room.

It has been financially impossible the past few years to have the customary repairs properly attended to, but this year the Board of Managers realized it had become imperative to have the wood and iron work on the outside of the buildings thoroughly renovated and painted, and though it entailed heavy expense, they had this done.

As to the whereabouts of the members of the graduating class, Miss Hill left in June for Alaska. Miss Cannell, Miss Powell, and Miss Skiles reached Japan the last of September—they are all to work in Bishop Tucker's diocese. Miss Hamilton is working at Christ Church, Rochester, and Miss Boyden at Epiphany Chapel, Washington; Miss Murdoch entered the Pennsylvania Hospital the first of August for the full training, with missionary work in view. Miss Miriam B. Allen, of the class of 1920, was "set apart" as a Deaconess on the Feast of the Annunciation, in St. Mark's Church, Evanston, Illinois. The latter part of September Miss Bessie B. Leach, of the class of 1915, died very suddenly of pneumonia.

One of the closest bonds in the family life of the School is our daily chapel services, and Sunday evening, when we say the beautiful prayer beginning, "Grant, O Lord, that we who are Thy soldiers here may enjoy Thy peace hereafter," I find myself thinking specially of those of our number who have attained "that peace" and realize that the bond that has been formed is eternal.

Respectfully submitted,

CLARA M. CARTER,
Head Deaconess.

Report of the Associates to the Board of Managers.

DURING the past year 1921-22 the meetings of the Associates have been held on the second Tuesday of each month at the usual hour and place, 708 Spruce St. There has been frequent discussion as to increasing the interest of the friends and the public in the work at the Church Training and Deaconess House.

The electricity partly installed at 708 has proved so valuable that it is hoped later to electrify the whole house. Miss Julianna Wood has added greatly to the appearance of the parlors by her gift, electrifying the two crystal chandeliers and also several rooms.

At the May meeting officers were elected for the following year, Mrs. Charles P. Maule being unanimously elected President.

Mrs. Medary's letter of resignation as secretary after her long and faithful service was received with great regret.

Beside the regular teas during the winter, one was held in the Garden at Commencement.

The Treasurer's report showed \$218.91 having been received, and \$201.28 having been paid out for various household items at 708—outings for the students and Deaconess Truesdell's expenses as the Associate's representative at the Summer Conference at Wellesley College. This left a balance of \$17.53 in the Treasury.

EDITH ROSS WAYNE,
Secretary.

Prayer for the School.

Grant, O Lord, we beseech Thee, that Thy blessing may rest upon our Training School, and upon every member thereof, both present and absent. Give to all of us grace to live in Christian love one toward another, to bear one another's burdens, and so fulfil the law of Christ; and to follow the example of Thy blessed Son, who pleased not Himself, and came not to be ministered unto but to minister: to whom, with Thee and the Holy Ghost, be all honour and glory, world without end. Amen.

The Prayer for Deaconesses.

BY BISHOP THOROLD.

O Lord of souls, Who hast chosen and called me to service in Thy Church, all my trust is in Thee, for in Thee are the springs of my life. Abundantly give me of Thy Blessed Spirit, without Whom nothing is strong, nothing is holy; and use me as it shall please Thee for the glory of Thy name. Make my will patient, my conscience pure, my temper bright. Empty me of self, and fill me with the meekness of wisdom. Increase my faith, mellow my judgment, stir my zeal, enlarge my heart. Let my life enforce what my lips utter. Do Thou choose for me the work I do, and the place in which I do it; the success I win, and the harvest I reap. Preserve me from jealousy and impatience, from self-will and depression. Make me faithful unto death, and then give me the crown of life. All which I ask for Jesus Christ's sake. Amen.
