THE EIGHTEENTH ANNIVERSARY

Of the Church Mission to Deaf-Mutes was held in All Angel's Church, 81st Street and West End Avenue, on Sunday evening, November 30th, 1890. The service, as conducted by the Rev. S. DeLancey Townsend and the Rev. Edward H. True, was interpreted by the Rev. Dr. Gallaudet and the Rev. Anson T. Colt. Extracts from the Eighteenth Annual Report were read, and a general statement in relation to the objects of our Society was made by the General Manager, the Rev. Mr. Colt interpreting for the deaf-mutes, who formed a part of the large Congregation.

SPECIAL NOTICES.

Mr. James Lewis is authorized to act as Collector, and is commended to those on whom he calls.

The donation of \$100 or upwards at one time makes the donor eligible for election as a life member.

Twelfth Sunday after Trinity offerings are requested from churches and individuals in the Dioceses of New York, Long Island, Albany, Central New York, Western New York, Newark, Connecticut, Rhode Island, Massachusetts, Vermont, New Hampshire and Maine, the field to which the Society is now limited, and in which its missionaries are holding *sign services* at upwards of forty different places.

The Guild of Silent Workers meets in the Guild Room of St. Ann's Church on the last Tuesday of the month, at 8 P. M. This Society, through its officers and committees, has been instrumental in extending aid to many deaf-mutes

and their families in times of trouble. The Secretary is Mr. Solomon P. Cornelius, and the Treasurer, Mr. Adolph Pfeiffer.

The Manhattan Literary Association of Deaf-Mutes holds meetings on Thursday evenings in the same place.

One great object of "The Church Mission to Deaf-Mutes" is to bring deaf-mutes, after they leave school, into pastoral relations. Among the so-called Protestant bodies, the Church with its Book of Common Prayer, with its lessons from Holy Scripture systematically arranged, with the special teachings of the changing seasons of the ecclesiastical year, and with so much that speaks to the eye in its ritual, offers advantages that have drawn within its fold large numbers of our silent brethren. It is hoped that the Rectors will search out the deaf-mutes who are near them and invite them to attend service, seeing that persons are appointed to show them the places in the Prayer Books and Bibles.

THE EIGHTEENTH ANNUAL REPORT

OF THE TRUSTEES OF

The Church Mission to Deaf-Mutes.

In accordance with some changes made in the Constitution and By-Laws of our Society, our year ended the first of October, comprising, this time, eleven months instead of twelve.

With the approval of the Bishops of Western New York and Central New York, and the co-operation of the Rev. Thomas B. Berry, Rector of the Church of the Good Shepherd, and Mr. C. Orvis Dantser, Lay-reader, Buffalo, our Society is now doing missionary work in the five Dioceses of the State of New York. This arrangement will give a more efficient support to the Gallaudet Home for Aged and Infirm Deaf-Mutes, which, for the present, receives inmates from this State only.

Missionary work is also done in the six Dioceses of New England, and the Diocese of Newark. In Boston we have been greatly aided by the Rev. S. Stanley Searing, Assistant Minister of the Church of the Good Shepherd. He is constantly improving in the use of the sign language, and his pastoral work among the deaf-mutes of Boston and vicinity is steadily increasing.

The missionaries officially connected with our Society and holding Services for Deaf-Mutes at some fifty different places in the Dioceses referred to above, are the Rev. Dr. Gallaudet, the Rev. Messrs. Chamberlain, Berry, Colt and Searing, and Mr. C. Orvis Dantser. Reference is made to their reports for the details of their work. Those connected with other Dioceses are the Rev. Dr. Clerc, the Rev. Messrs. Mann, Koehler, Turner and Cloud, and Mr. James S. Wells. Reference to their work appears in the appendix.

These brethren are trying to extend the full Gospel system with all its positive institutions among the 40,000 deafmutes of the United States. It is estimated that they have led upwards of 800 to be communicants of the Church founded by the compassionate Saviour, who, in His earthly ministry, said : "Ephphatha to a deaf and dumb man."

The small body of Church Clergymen who are able to minister to deaf-mutes, and bring them into pastoral relations, sustained a great loss on last Epiphany night, when the Master sent angels to bear to Paradise the Rev. Henry Winter Syle, Pastor of All Souls' Church for the Deaf in Philadelphia. Losing his hearing at five years of age, he acquired a liberal education under great difficulties. He was recognized as a man of remarkable culture, and specially fitted to be a Pastor among his silent brethren. He was ordained by the Rt. Rev. Bishop Stevens, Deacon in 1876 and Priest in 1883. Through the self-sacrificing, persevering efforts of Rev. Mr. Syle and his wife, All Souls' Church was consecrated in December, 1888. It was then felt that he had just begun his life-work at the ripe and mature age of 42. But the loving Father, who orders all things for the best, saw that his earthly mission was ended. He has been succeeded in the pastorate of All Souls' Church by the Rev. J. M. Koehler.

In addition to holding as many religious Sunday and week-night services among deaf-mutes as possible, the missionaries of our Society are constantly busy, specially in New York City and vicinity, in efforts to promote their temporal welfare.

Situations have been secured for many men and women. The sick and needy have been visited and aided according to their circumstances. The last rites of the Church have been performed for those who have passed away. Interpretation in the courts and other business matters have occurred. Without these daily, persevering labors among our deaf-mute friends, encouraging them to fight the battle of life bravely as Christians, it is feared that many of them would have a sad time in their earthly pilgrimage. We are thankful, however, to say that the large majority are doing well, supporting themselves and their families in various lines of business, and occupying the position of intelligent, law-abiding citizens. It must be always remembered that the deaf-mutes among whom we labor have been educated in various institutions, and can all converse with hearing persons by writing. Some of them can speak and read the lips of those who wish to communicate with them. The fact that they can read the English language shows the great advantages they have in the liturgical forms of the Church which sets forth the Book of Common Prayer and uses the Bible by a system of regularly recurring lessons.

The Gallaudet Home for Deaf-Mutes forms an increasingly important department of our Mission. It now cares for eleven female and fourteen male inmates. Four are eighty years old and upwards; two have become blind, and several have imperfect sight. Several are crippled and all are unable to support themselves. They are most kindly cared for, especially by the ladies to whom the domestic affairs are entrusted. They have religious services in the Chapel and a celebration of the Holy Communion one Sunday a month. Most of the inmates are communicants.

We return hearty thanks to the thoughtful friends in Poughkeepsie; to the managers and patrons of the Fair in Brooklyn; to those who have arranged and sustained various entertainments; to all who took part in the August excursion to Iona Island; to Mr. A. A. Barnes and his associates in the society formed three years ago to aid the Home; to those who made the lawn party a success; to Drs. Cornell & Baxter, of Wappingers Falls; to Dr. Riley, of New York; to Mr. W. J. Nelson for his steadfast interest in the Chapel services, and to all others who have in any way co-operated in fostering this first and only Home of its kind in the world. In the reception of inmates the Home is, for the present, limited to the number of twenty-five, coming from the State of New York. It is supported by charitable contributions. We need \$8,000 to pay off the mortgage; we have \$255. The sum of \$1,000 will be received at any time on account of this indebtedness. We need also money for new buildings.

Miss Bishop, who has very acceptably discharged the arduous duties of Matron for one year, has sent in her resignation, to take effect on the 1st of November. Mrs. Nichoson, of Dansville, N. Y., is expected to be her successor.

It gives us pleasure to show our appreciation of what has been accomplished by the other officers who will remain with us in the house and on the farm. Progress has been made in the right direction.

A Mission House in this city would be a great boon to hundreds of deaf-mutes who gather here in search of employment.

Our Society was incorporated in October, 1872, under the general laws of the State of New York, by the title of "The Church Mission to Deaf-Mutes." Legacies can be left to it for the general purposes of the Society, or in trust for "The Gallaudet Home for Deaf-Mutes."

Contributions intended to meet the current expenses of the Home may be sent to Miss E. P. Nelson, 33 Cannon Street, Poughkeepsie; Prof. E. H. Cumer, Station M, New York City; Mr. A. A. Barnes, Money-Order Department, N. Y. Post-Office, or Rev. Thomas Gallaudet, D.D., 9 West 18th Street, New York City. General contributions go to Mr. Wm. Jewett, Treasurer of the Society, 107 Grand Street, New York City, and are used to carry on our missionary and charitable work.

For eighteen years we have striven to put into practice the idea which called our Society into existence, and we trust that the results inspire all our patrons and friends with confidence for the future.

The incidents of especial interest to you are :

1. A proposition was made by a stone company to purchase a part of the property of the Home-the river-front-and it was hoped that such sale might be effected, but as yet the company are not willing to accept our terms, and the matter rests.

2. Miss Edson in her will left a bequest of \$10,000 to the Home, but there is to be a contest by relatives, so we can, at this time, state nothing definite in the matter.

3. Steps were taken by the Lady Managers to secure the erection of a fire-escape, but the cost was found to be too great.

4. With a view to lessen the danger from fire, and eliminate the open fires and stoves, proposals were asked for steam and hot-water heating, but the cost, \$1,182 for one, and \$1,085 for the other, and with no funds available, compelled the Committee to postpone action.

5. The laundry has been fully equipped ; a new range and water connections made and hydrants for drinking purposes erected, at a cost of over \$140.

6. The loan of a horse and wagon for the use of the Home by Mr. P. P. Dickinson has been of great service.

7. The first death in the household occurred in August last, when Mrs. Daggett entered into rest. The General Manager, assisted by the Rev. Mr. Colt, conducted the funeral services. Her remains, at first deposited in our own Cemetery, were later removed by her son to Providence, R. I.

8. There have been three admissions within the year-Mr. Fox, Mrs. Totten and Miss Spear.

Respectfully submitted,

E. H. CURRIER, Sec'y-Treas, Ex. Com., Gallaudet Home.

E. P. NELSON, Treas. Gallaudet Home, To the STANDING COMMITTEE, GALLAUDET HOME:

According to promise we give you herewith the result of our customary visit of inspection to the Home September last We met Rev. A. T. Colu on the cars, going to spend Sunday at the Home. He held services in the Chapel morning and evening, at which there was a full attendance of the inmates, who exhibited, by their earnest attention, a hearty appreciation of their opportunity to render thanks to a beneficent Providence for the comfortable home provided by your kind efforts.

As to their condition, we can only reiterate the report of former years : they present a strong, hearty appearance, notwithstanding their many bodily infirmities. Pure air, ample food and exercise has worked wonders in the few years they have been here, showing they have really reached a haven of peaceful rest.

We noticed some new-comers, and only regret that our limited accommodations will not permit entrance to the many poor and suffering mutes who yet stand knocking at our doors.

We have to commend the Ladies' Committee, under the management of Mrs. C. M. Nelson, for the success attending their efforts. The interest they manifest is apparent in the order and cleanliness that reigns throughout the Home.

Miss Bishop, the Matron, certainly deserves her mead of praise for attention to her several duties, the successful results showing plainly on all sides. This station is not a bed of roses by any means. These afflicted inmates require constant watchfulness, day and night, and the mental and physical strain—this silent monotony—week in and week out, is very wearing; therefore we suggest to your Committee the necessity of more variety and relaxation as an important factor for the occupant of this position, and hope your combined experience will devise some method whereby this can be obtained.

The Home, inside and out, appears to be in good repair and condition; the laundry is much improved by the additions, but it is entirely too contracted for the work required of it, and the time is not far distant when it must be enlarged.

We hear with pleasure of the intention to substitute steam-heat for the furnace and stoves in the Home, as it will lessen a source of danger much to be feared with our deaf-mute inmates. The first cost may appear excessive, but the saving in coal, and the increased safety and comfort, will repay in the long run. We have suggestions for an outside iron stairway from the long room in the upper floor, for which we have estimates in the sum of \$250, which we recommend to your consideration as a great and needed improvement in the approach and exit from this floor.

We went over the grounds with Farmer Gardner, and report the roads in good condition; the underbrush and shrubbery well trimmed; in fact, the whole place showing an orderly, clean and healthy appearance.

NEW YORK, October 15th, 1890

The stone abutments to the bridge over the creek, which was getting rather unsafe, have been rebuilt, and it is now in a first-class condition, The stables and outbuildings are in good order, and the live stock is improving yearly. The truck farm seems to have done its share, and the asparagus bed has proven a mint, showing the foresight in setting it out, and that it deserves all the care and attention given to it to maintain it as a source of revenue. Berries have been quite profitable, but on account of the past warm winter, vegetables and fruit all over this section have been a failure.

The trees were loaded with buds and promised a good yield, but the frosts destroyed them. From the orchard the apples, pears, quinces, grapes and plums will barely suffice for the house use. Hay, on the contrary, has been very prolific, but the large crops have overstocked the market and low prices are consequent. If the matter of boarding horses for the winter could be worked up we could dispose of this surplus crop to good advantage, as we have adundant stable room, pasturage, and competent help to handle all we could get. Perhaps if you could bring this subject to the notice of our wealthy patrons having sick or unused horses, they might interest themselves and assist in increasing our income in this way.

The high price of ice this summer has prevented the use of our creamery, consequently the expected profit from this source has been cut off. We hope it will not be lost sight of, and think it is worth trying the experiment of selling all the cream gathered and buying the butter needed, instead of making it. They use about fifty pounds of butter a month, which, at 30 cents per pound, would be \$180 a year. Now, five quarts of cream daily, at 25 cents a quart, would net say \$1.00 delivered, or \$360 a year. In New York it is worth 40 cents a quart. The creamery is large enough and it might pay to take on more cows.

We went over the lime-stone bluffs in the afternoon, and from the improvements going on in our neighboorhood, and the demand for similar property, the time is not far distant when we must realize a good profit from this land.

We would not recommend hasty action, as delay is only making it the more valuable.

We need the money badly for new buildings. The necessity for separating the sexes and providing a sick bay is getting more apparent yearly, as our family is weakening by age and will require comforts they can not get now. With but slight increase in our expenses we could readily maintain double the number of inmates if we had accommodations for them.

However, the manifest improvement and comfort existing on all sides is apparent and induces this report, which we trust you will receive with the same appreciation and kindly spirit as the former ones.

Very truly yours,

HENRY F. HERKNER ALBERT L. WILLIS.

REPORT OF THE GENERAL MANAGER.

FOR NOVEMBER, DECEMBER AND JANUARY.

During the last three months I have been constantly occupied in efforts to promote the temporal and spiritual welfare of deaf-mutes. On seven of the thirteen Sundays I have conducted sign services in St. Ann's Church, New York, and have interpreted on Thanksgiving Day, Christmas, Epiphany and other days, at the oral services. On two Sundays I celebrated the Holy Communion at the Home and preached at Zion Church, Wappinger's Falls. On Sunday, November 24th, I conducted a sign-service in Zion Church, Palmyra, and the next day baptized a couple of deaf-mutes at their home a few miles distant. The husband was 85 and the wife 77. On Sunday afternoon, December 8th, I enjoyed the first anniversary service of All Soul's Church for the Deaf in Philadelphia. Bishop Whittaker presided and celebrated the Holy Communion. Rev. Mr. Koehler was present. In the forenoon I had preached in relation to work among deaf-mutes in St. Peter's Church. On Sunday, December 29th, I interpreted for deaf-mutes in Christ Church and St. Mark's Church, Tarrytown. On Sunday, Jan 26th, I officiated for deaf-mutes in the forenoon at St. Paul's Church, Troy, and in the afternoon at St. Paul's Church, Albany. On my way up from New York I had stopped at the Home Friday night, and the next morning at Vassar Brothers' Hospital in Poughkeepsie, to see Samuel Moses, one of our inmates. Dr. Bayley said he was improving. Having had a short visit with Mrs. Nelson and family, I took the 1.40 P. M. train to Troy, where I lectured to deaf-mutes in the Guild-room of St. Paul's Church.

On Saturday evening, December 7, I lectured before a society of deafmutes in the Guild-room of All Souls Church for the Deaf. I also lectured for the Manhattan Literary Association on Thursday evening, November 14th. I have attended the meetings of the Executive Committee of the Gallaudet Home, the Guild of Silent Workers and Directors of the New York Institution for Deaf-Mutes. I have looked in at the balls of the M. L. A., the League and the Fanwood Social Club. I have worked hard to get situations for the unemployed, and written many letters connected with our general work. On Friday evening, November 22, in St. John's clergy house, Buffalo, I lectured to deaf-mutes. Rev. Mr. Berry and Mr. Dantzer were present. I have married one couple of deaf-mutes and performed the ceremony where the bride was the daughter of deaf mutes. On Sunday, December 1st, I baptized Charles Hathaway, deaf-mute, in St Ann's Church, and on Tuesday, January 7th, officiated at his funeral. On the 27th, I filed a sworn statement in relation to the Church Mission to Deaf-Mutes for the year ending with October 1st, 1889, in the County Clerk's office, and on the 31st of December placed the manuscript of the seventeenth annual report in the hands of the printers. On December 11th I was present at the marriage of Mr. Thomson and Miss Magee, performed by Rev. Mr. Colt. On Epiphany night I heard of the death of the Rev. Mr. Syle, and on Thursday, December 9th, took part in the touching funeral service at All Souls' Church for the Deaf in Philadelphia. What an irreparable loss we have sustained !

THOMAS GALLAUDET.

REPORT OF THE GENERAL MANAGER,

FOR JUNE, JULY, AUGUST AND SEPTEMBER, 1890.

During these four months I conducted the services for deaf-mutes in St. Ann's Church, N. Y., on eleven Sundays—Rev. Messrs. Chamberlain and Colt officiating on the other Sundays. I made a special appeal for our Society. including the Home, on the 12th Sunday after Trinity, August 24th.

Sunday, June 8th, I preached at the morning service in St. Mark's church, Malone, and in the afternoon we had a combined service which was attended by the officers and pupils of the Northern New York Institution for Deaf-mutes. In connection with this visit I lectured twice in the chapel of the Institution, examined the classes, and made a report at the closing exercises of the session on Tuesday, June 10th.

On Saturday, June 21st, I was busy at the Home in making out the census returns of the inmates.

Sunday, June 22d, I conducted services in the chapel of the Home, and in the evening preached in the Church of the Holy Comforter, Poughkeepsie. The next day I baptized a deaf-mute man and his two children in Poughkeepsie.

Sunday, July 20th, I preached in Trinity Church, Asbury Park, and alluded to our Mission to Deaf-mutes.

Sunday, July 27th, I conducted services at the Home.

Sunday, August 17th, I preached and celebrated the Holy Communion in St. Peter's Church, Dansville, N. Y. In the afternoon at Granger's Hall, and in the evening at the church, I made addresses in relation to the work among deaf-mutes The next afternoon I spoke on this work in the chapel of the Sanitorium.

From Dansville I proceeded to Buffalo to act as interpreter for the Convention of the Empire State Society of Deaf-mutes. On Tuesday evening we had a combined service in St. John's Church at which I baptized a child of deaf-mutes.

On Saturday and Sunday, August 30th and 31st, I was in attendance on a convention of the Maine Mission to Deaf-Mutes, which was held in Rockland On Sunday we had the Holy Communion service in St. Peter's Church at 9 A. M, and Evening Prayer with sermon at 3 P. M. At 10.30 A.M. I interpreted the sermon of Rev. Mr. Roberts at the Baptist church and in the evening I spoke in the Congregational church, interpreting a short address by the pastor, Rev. Mr. Hatch, and then giving a detailed account of what has been done for deaf-mutes in our country, touching briefly and as gracefully as possible on the advantages which educated deaf-mutes have in the church which uses the Book of Common Prayer. Sunday, September 21st, I made an appeal for the Church Mission to Deaf-Mutes in St. James' Church, Goshen. The offerings amounting to \$130 were appropriated to the support of our Society.

On Tuesday, June 17th, having assisted in examining the classes, I attended the closing exercises of the session at the New York Institution for Deaf-Mutes with which I have been connected first as a teacher, and then as a director for many years.

On Thursday, June 19th, I attended the encouraging and enjoyable Lawn Party at the Home. It was given by our Board of Lady Managers and was a success.

I attended the Pic-nics of the German Charity Society of Deaf-Mutes and the Deaf-Mutes Union League. I regretted that it was out of my power to accompany the Brooklyn Society of Deaf-Mutes on their excursion, though I saw them off from an East River dock.

On my way to Dansville and Buffalo, I visited a friend in Palmyra. I called on the aged deaf-mute couple whom I had baptized some months before and had prayer with them.

On Saturday, August 23rd, at 3 P. M., I was present at the opening of the International Convention of the Instruction of Deaf-Mutes in the Chapel of the New York Institution. As the representative of our Board of Directors, I made a short address. It was my privilege to conduct the closing devotions of this Convention on the following Wednesday evening.

On Tuesday, August 26th, at 11 A. M., in the Chapel of our Home, Rev. Mr. Colt and I officiated at the funeral of Mrs. Daggett, an inmate, who was nearly eighty years of age. She was a communicant of the church. She passed away peacefully on the afternoon of the 12th Sunday after Trinity, knowing more fully than ever before the meaning of our Saviour's gracious word—" Ephphatha."

On Wednesday, September 10th, I was present at the beginning of the session of the New York Institution.

During these four months I have been busy in other ways among deafmutes in New York and vicinity. I have baptized a deaf-mute man. I have married five couples of deaf-mutes. I have attended one silver wedding. I have given the Holy Communion to a sick man. I have found situations for several. I have written many letters for those who have come to me in special needs. I have attended meetings of the Guild of Silent Workers and also those of the Executive Committee of the Home. I was very thankful that the grand excursion to Iona Island on Wednesday, August 27th, for the benefit of the Home, proved so successful. It was a memorable day. The Committee in charge did well, and their exertions were appreciated by the large and happy company who responded to their call.

In presenting this last report of the Society's year, the undersigned desires to acknowledge gratefully all the helps and encouragements he has received in trying to promote the temporal and spiritual welfare of our silent brethren.

NEW YORK, June 2d, 1890.

NEW YORK, November 3d, 1890. TO THE TRUSTEES OF THE CHURCH MISSION TO DEAF-MUTES.

GENTLEMEN.—Allow me to report my official services for the last quarter of the year ending September 30th, 1890.

I officiated for deaf mutes at public services seven times at St. Ann's Church, New York City; twice each at the Church of the Good Shepherd, Boston, Mass., St. Luke's Cathedral, Portland, Maine, and St. Peter's Church, Port Chester, New York; and once each at St. Mark's Church, Brooklyn, N. Y., Trinity Church, Syracuse, N. Y., and the Cathedral, Montreal, Canada, and in a hall in Lynn, Mass., and held a cottage service in Worcester, Mass. At two of these services the Holy Communion was celebrated, and two were combined services at which I addressed congregations of hearing people on behalf of our work. I also addressed a Sunday school in Montreal in relation to our work, and addressed in signs the pupils of the Mackay Institute, a school for the deaf in the same city. I celebrated Holy Communion in the sick room of a deaf-mute woman in Boston, Mass., and married a deaf-mute couple in Brooklyn, N. Y. I served in a court in New York City as interpretor for a deaf-mute man who was charged with petty larceny. It was apparently a case of mistaken identification and he was released. I spent two evenings with the deafmutes of a New England town in efforts to harmonize discordant elements in their local society.

Besides the ministrations thus enumerated I frequently interpreted parts of the daily services at St. Ann's Church, N. Y. I have given much time to efforts to secure employment for deaf-mutes; to visiting them at their homes; to a variety of individual ministrations, and to correspondence.

The greater part of the time covered by this report my services were required in connection with St. Ann's Parish, New York, so that I did less traveling than usual. I took two brief vacations of nine days each, including, of course, two Sundays.

> Respectfully submitted, JOHN CHAMBERLAIN.

TO THE BOARD OF TRUSTEES.

In the same interval I have administered in the signs three baptisms, solemnized three marriages, and conducted one funeral, making thirty-three sermons or addresses.

Respectfully submitted,

Dr. Gallaudet is the manager. All the dioceses in Pennsylvania, the South, and the Middle and Western States as far as the Dakotas, Iowa and Missouri have their Missionaries to the Deaf.

Rev. J. M. Koehler,* the Rector of All Soul's Church for the Deaf, Philadelphia, does Missionary work in Central Pennsylvania and neighboring dioceses. In his church alone there are 135 deaf communicants. Rev. Job Turner* itinerates in the Southern dioceses, and Rev. A. W. Mann* in the Western dioceses

These Missions to the Deaf are absolutely necessary because of the peculiar condition in which the deaf-mute is found after leaving school. At school he is in very exceptionable cases taught anything about the Church. This is so because of the "non-sectarian" character of the Institutions for the Deaf. After leaving school, he therefore very seldom, if ever, goes to church, obviously because he gains no spiritual benefit therefrom.

The object of these Missions is to teach the deaf about the Church, and bring them into pastoral relations.

It is well recognized, even by those outside the Church, that "our" Church is peculiarly fitted for the deaf person. By means of the Prayer Book, he is enabled to worship in common with hearing persons and be spiritually benefited. The symbolical character of our vestments and hangings and ceremonials, as well as the teachings of the changing seasons of the Ecclesiastical year, speak to the deaf in a silent language—in a word, it appeals to the eye. Because of this fact, large numbers of the deaf have of their own free will come into the Church.

Here in Central and Western New York little has been done of late, though a few years ago, the Rev. Thomas Berry now and then held signservices for their benefit. This he does not find opportunity to do now, as - his work as a parish priest calls for all his time.

Recently, Mr. C. O. Dantzer,* of Buffalo, began work in the two dioceses. For the past year he has conducted a Bible Class for Deaf-Mutes in the Clergy House of St. John's Church, Buffalo; and held services in the sign-language in St. John's, St. Paul's and St. James' Churches, Buffalo; St. Luke's, Rochester; St. Peter's, Geneva; St. Paul's, Syracuse; Zion's, Rome; Trinity, Utica; and during a visit in the west, in St. Paul's, Evansville; Christ Church, Indianapolis; Grace Church, Cleveland; and and St. Paul's, Erie.

It is proposed to continue the services in the two dioceses, but at present the Missionary Funds are not in such a condition as to warrant the bestowal of any amount on the Deaf-Mute Mission of these parts. In order to keep up the work in the meantime, an appeal is now made to interested persons for offerings or donations.

They may be sent to C. O. Dantzer, 447 Elk Street, Buffalo, N. Y., by whom they will be thankfully acknowledged.

The work of the Mission has the endorsement of Bishops A. C. Coxe and F. D. Huntington

Report of the Rev. Thomas B. Berry,

RECTOR OF THE CHURCH OF THE GOOD SHEPHERD, BUFFALO, N. Y.

The Rev. Mr. Berry reports that he assisted at a service for deaf-mutes in St. John's Church, Buffalo, during the Convention of the Empire State Association in August, 1890; held one service for deaf-mutes in the Church of the Good Shepherd; baptized two infants of deaf-mute couples and three adult deaf-mutes, and secured for Mr. Dantzer, lay-reader, \$25 worth of books from the Washburn Memorial Committee. Rev. Mr. Berry hopes to do more for the Mission to Deaf-Mutes in the future. He is aiding Mr. Dantzer in making his appointments tor services among deaf-mutes. He reports having received \$35 from St Paul's (hurch, Buffalo, to help him in this important pastoral work among deaf-mutes.

Report of Mr. C. Orvis Dantzer,

LAY-READER, 447 ELK STREET, BUFFALO, N. Y.

December 12th, 1890.

MY DEAR DR. GALLAUDET.—During the past year I have seen my way open up very slowly, but surely. At the outset I had many difficulties to contend with, chief among which were the ideas that were held of the Church by the deaf residing in this city.

I began with a Bible class of seven deaf-mutes. In February last I was licensed as a lay-reader. At first I confined my work to Buffalo, with very little apparent encouragement, and I was about to abandon my work in despair, but after a little more patience I began to see my work appreciated.

Recently I have extended my work to other cities in the dioceses of Central and Western New York, and the services were apparently well appreciated, even by those outside the Church. The outlook at present is very encouraging for the Church. There are about a dozen preparing for confirmation in the two dioceses and the attendance at services have averaged thirty deaf-mutes.

Services have been held at the following churches; St. John's, Buffalo (21 times); St. Paul's, Buffalo (5); St. James, Buffalo (5); Church of the Good Shepherd, Rev. T. B. Berry, Rector (2); Christ Church, Indianapolis (1); St. Paul's, Evansville (1); Grace Church, Cleveland, with Rev. Mr. Mann (1); St. Paul's, Erie (1); St. Luke's, Rochester (3); St. Paul's, Syracuse (2); Zion's, Rome (2); Trinity, Utica (2), and St. Peter's, Geneva (1).

Report of the Rev. S. Stanley Searing.

CHURCH OF THE GOOD SHEPHERD, BOSTON, December 27th, 1890. MY DEAR DR. GALLAUDET.-You ask me for something by way of report regarding the religious work among the deaf-mutes of Boston and vicinity which I may have done during the past year. Every fourth Sunday in the month it is my custom to preach (or interpret) a sermon in the sign language. I have made a number of calls in sickness and at other times and have greatly enjoyed all that I have done in behalf of such work. I have attended several funerals (out of town) and have married two couples. I wish heartily that I were able to give more time to house visiting, but during the past six months my time has been very much taken up with other duties in connection with parochial matters. I expect to give my third annual reception to the mutes of Boston and vicinity the coming January, and shall hope to meet many whom I have not had the opportunity of seeing before. The church on Cortes street is the meeting place of the Gallaudet Society, and the "Good Shepherd" people are always glad to encourage in every way religious work among the deaf.

> Your servant in Christ, S. STANLEY SEARING.

INFORMATION

RESPECTING

OTHER DEPARTMENTS OF CHURCH WORK

AMONG

DEAF-MUTES

HAVING NO OFFICIAL CONNECTION WITH OUR SOCIETY.

Offerings for the support of the work in each Department should be sent to its Missionary.

The Rev. Francis J. Clerc, D. D.,

Rector of St. Paul's Church, Philipsburg, Penn., officiates occasionally at services for deaf-mutes. He reports that the Commission of the Diocese of Central Pennsylvania has been discontinued, and church work among deaf-mutes has been transferred to the Bishop and Board of Missions.

MISSION TO THE DEAF IN PENNSYLVANIA, CENTRAL PENNSYLVANIA, NEW JERSEY, DELAWARE AND MARYLAND.

Rev. J. M. Koehler, Missionary.

PENNSYLVANIA

Church work among the deaf was begun in Philadelphia by the Rev. T. Gallaudet in 1859. In 1866 it was formally associated with Calvary Monumental Church, of which the Rev. F. J. Clerc, D. D., was then Rector. When, in 1872, Rev. Dr. Clerc became Warden of the Burd Orphan Asylum, the Mission became connected through him with St. Stephen's Church, which remained the headquarters until 1885, when it was removed to the Church of the Covenant. There it remained until the sale of that church in 1887 obliged it again to accept the hospitality of St. Stephen's. During all this time the congregation were making strenuous efforts to secure a building of their own, and on December 8th, 1888, their hopes were realized in the consecration of All Souls' Church for the Deaf, Franklin street above Green.

In 1878 Bishop Stevens brought the matter of the extension of Church work among the deaf beyond the limits of Philadelphia to the attention of the Convention, and two years later, upon the favorable report of the committee to whom the matter had been referred, a commission was appointed to take charge of the work. The Rev. H. W. Syle was appointed Diocesan Missionary, and the results have justified the wisdom of the plan. Upon the death of Mr. Syle in 1890, the present missionary was appointed.

CENTRAL PENNSYLVANIA.

The Diocesan Commission in charge of the work from 1883, was discontinued at the last Convention (1890), and the work turned over to the Board of Missions.

The work has been carried on *regularly* since 1880, first by the Rev. Mr. Syle, and from 1883 until the present by Rev. Mr. Koehler. Previous to

MARYLAND.

The general oversight of Church work among the deaf in Maryland is entrusted to the Missionary of the Pennsylvania Commission. The most important point is Baltimore, where weekly services are maintained at Grace Church by, Mr. J. S. Wells, lay-reader, whose efficient and faithful work has borne excellent fruit. During the past year eight deaf-mutes have been brought to Confimation by him. The number of Communicants is about forty.

At Washington, a weekly Bible class meets on Sunday afternoon at the Church of the Ascension, where also regular services are held by the Missionary.

Visits are also made, and services held at Frederick City, where the State School for the Deaf is located.

NEW JERSEY.

The Mission to the Deaf in this Diocese is carried on by the Missionary of the Pennsylvania Diocesan Commission. Owing to the demands upon him, the only point visited by him during the past year has been Camden.

Regular monthly ministrations at Trenton and other points are being arranged for. Five hundred deaf-mutes are found in this jurisdiction.

FIFTEENTH ANNUAL REPORT OF REV. A. W. MANN, IN CHARGE OF MID-WESTERN MISSION.

Sunday services have been given to Chicago, St. Louis, Indianapolis, Detroit, Grand Rapids, Circinnati, Columbus, Cleveland, Pittsburgh, Erie, Minneapolis, Des Moines, New York City, and one or two other places. Week day services have been given to about fifty places more. The congregations have been good. I have officiated at several State schools for deaf-mutes. I need more assistants to hold the ground already gained, and to help gain more.

Services held during the year beginning July 1st, 1889, and closing July 1st, 1890, 181; Baptisms, 45; Confirmations, 26; Marriages, 5.

The Rev. J. H. Cloud, reports having held services at the Cathedral, St. Louis, St. James Church, Chicago; the Cathedral, Davenport, Iowa; Trinity Church, Hannibal, Mo.; and Trinity Church, Jacksonville, Ill. He has assisted me at Grace Church, Cleveland, and Trinity Church, Pittsburgh. Mr. R. P. McGregor, Lay-Reader and Principal of the St. Louis Day School for Deaf-mute Children, reports having held a number of services at Christ Church Cathedral.

Mr. N. F. Morrow, Lay-Reader, and Instructor of the Indiana Institution, has just begun to hold services at Christ Church, Indianapolis

1880, occasional services had been held in Reading, Allentown, and York by Rev. Drs. Clerc, Dr. Gallaudet and his co-laborers, and by Mr. Thomas Roberts, a lay-reader. There are 1600 deaf mutes in this field.

The following summary of the missionary's report for 1889-90, shows the extent and some of the results of the work.

PARISHES and other places visited in the Diocese, 34; outside, 15. Total, 49.

SERVICES.—In the Diocese, 128; outside of the Diocese, 61. Total, 189.

BAPTISMS.—In the Diocese, 5; in Philadelphia, 4; in Camden, 1. Total, 10.

CONFIRMATIONS.—8, including six young people from this Diocese confirmed at All Souls' Church, Philadelphia.

HOLY COMMUNION was celebrated for the Deaf in the Diocese 24 times publicly, and three times in private for the sick. I also celebrated 13 times outside the Diocese.

BURIALS.—I officiated at four burials outside of the Diocese. Rev. Mr. Hare, of St. Luke's Church, Lebanon, officiated at the burial of a deafmute in his Parish.

MARRIAGES.—In the Diocese, 1; outside, 2,

PASTORAL VISITS in the Diocese, 302; attendance at services, 1030.

COMMUNICANTS,—Last reported, 135; added by removals, 5; by confirmation, 8; candidates for confirmation admitted to Communion, 3; died, 1; present number, 150. Many deaf-mutes connected with the denomonations received the Sacrament during the year. There are over thirty deafmutes preparing for confirmation in the Diocese.

At Reading in this Diocese (in a rented room), a chapel has been opened during the present year. This chapel is the only one of its kind in this country, outside of the Churches in New York and Philadelphia. It seats comfortably fifty people, and is handsomely and properly furnished for its purpose. Besides the Chapel there is also a room for lectures, etc. It is hoped that in time similar rooms may be opened in other large cities of the Diocese.

Weekly Bible classes are held at Reading, Lebanon, Lancaster and Allentown, where also local guilds exist. Similar organizations exist also at Earto, Harrisburg, Altoona, Ashland, Shamokin and Scranton.

DELAWARE.

The work is carried on by Rev. J. M. Koehler, under the Diocesan Committee of Missions. Services are held monthly at St. Andrews' Church Wilmington, and visits made elsewhere as opportunity offers or occasion demands. There are about one hundred deaf-mutes in Delaware. Since the beginning of the Mid-Western work, I have held over 3,000 services in nearly 300 Parishes; 534 deaf-mutes and their hearing children have been received into the Church by Holy Baptism; over 400 deaf-mutes have been Confirmed; 52 couples have been joined together in holy matrimony. Over 600 candidates are awaiting Confirmation at different points, widely apart; and I must arrange to be present at Episcopal Visitations to interpret for them.

The work has been vastly helped wherever the rectors have interested themselves to the extent of visiting the deaf-mutes at their homes, conversing with them by means of writing, or the hand alphabet, learned for the purpose; giving them praper books and tracts, on the Church, Baptism, Confirmation, and the Holy Communion. They have been instrumental in bringing several into the Church. How much larger the result certainly would be if all rectors would do the same !

I have distributed upwards of 400 prayer books, and hundreds of tracts. For the former I have been indebted to the generosity of the New York and the Bishop White Prayer Book Societies.

The Rev. Job Turner

Holds services for Deaf-Mutes in the principal cities of the Southern Dioceses, and visits the State Institutions for Deaf-Mutes. He is busily occupied in his extensive field.

PRAYER FOR THE DEAF.

O GOD, our Heavenly Father, Whose dearly beloved Son Jesus Christ, when He dwelt on earth, went about doing good ; unstopping the ears of the deaf, and loosening the tongues of the dumb; look down with loving eyes upon all Thy deaf and mute children, and give them the special blessing of Thy mercy and grace. Let Thy fatherly hand ever be over them; let Thy Holy Spirit ever be with them; so that they may learn the truth as it is in Jesus, and believe in and rest upon Him as the Saviour of their souls, and find in Him that joy and peace which the Holy Ghost alone can bestow. Be with them, we beseech Thee, in all the trials and duties and dangers of this life, and may they so live in Thy fear and love here, that in the world to come they may ever, with open ears, and loving tongues, send forth Thy praise in Thy heavenly kingdom.

Hear us, O Lord God, through Thy Son Jesus Christ, to Whom, with Thee, O Father, and Thee, O Holy Ghost, be all honor and glory, now and forever. Amen.

Written and set forth by Bishop Stevens of Pennsylvania, Feb. 6th, 1881, and authorized in various Dioceses. Also suggested for private intercession, on Thursdays; on which day a similar Prayer, written by Bishop Alexander of Derry, is used in Great Britain and Ireland.

Copies, in large or small type, may be had of Rev. J. M. Koehler, 228 Rittenhouse Street, Germantown, Philadelphia.
