THE TWENTY-THIRD ANNIVERSARY

Of the Church Mission to Deaf-Mutes, New York, was held in the St. Agnes Chapel, on the fourth Sunday in Advent, December 22d, at 4.30 P. M. The service was conducted by the Vicar, Rev. E. A. Bradley, D. D., and assistant, the Rev. C. A. Hamilton; the Rev. John Chamberlain reading the first lesson, and the Rev. E. A. Krans, LL. D., the second. Interpretations in the sign-language for the deaf-mutes were given by Rev. Dr. Gallaudet and Rev. Mr. Chamberlain. Portions of the twenty-third annual report were read. The General Manager called special attention to the fact that the Church Mission to Deaf-Mutes, New York, was a corporation by itself, entirely distinct from St. Ann's Church for Deaf-Mutes and their hearing friends. He stated that an income of \$12,000 was needed to sustain the Missionary Work, to maintain the Charity Fund for the sick and the needy and to support the Gallaudet Home for aged and infirm deaf-mutes. The offerings of the congregation were received for the Society.

SPECIAL NOTICES.

Mr. Samuel M. Brown is duly authorized to collect money for our Society in the City of New York and in the Diocese of Newark.

Mr. William G. Gilbert has been duly appointed collector for Brooklyn and other places in Long Island.

Mr. Chester Q. Mann has been commissioned to collect funds for the support of the Gallaudet Home for Deaf-Mutes throughout the State of New York, excepting the City of New York and Long Island.

The donation of \$100 or upwards at one time makes the giver eligible for election as a life member of our Society.

The twelfth Sunday after Trinity is a specially appropriate day for offerings and gifts for the support of Church work among deaf-mutes.

The Guild of Silent Workers meets at 224 Waverly Place, New York, on the last Tuesday of the month, at 8 P. M. The officers are the Rev. Dr. Krans, President; the Rev. John Chamberlain, Chaplain; Mr. S. M. Brown, Secretary; Mr. W. G. Jones, Treasurer.

The Manhattan Literary Association meets on Thursday evenings.

Mr. E. Souweine, President ; Mr. E. Basch and Mr. M. Miller, Vice-Presidents ; Mr. T. A. Froehlich, Secretary ; Mr. J. Sonnenborn, Treasurer, and Mr. Alexander Meisel, Sergeant-at-Arms.

The Brooklyn Guild of Deaf-Mutes meets in the Parish Building of St. Mark's Church, Adelphi Street, on the first Thursday of the month at 8 P. M.

Mr. Alexander Laing, President ; Mr. Alexander McIlwraith, Vice-President ; Mr. Charles E. Green, Secretary ; Miss Hannah Henry, Treasurer ; Messrs. Green, Juhring and Laing, Committee of Charities.

One great object of "The Church Mission to Deaf-Mutes" is to bring them, after they leave school, into pastoral relations. Among the so-called Protestant bodies, the Church, with its Book of Common Prayer, with its lessons from Holy Scripture systematically arranged, with the special teachings of the changing seasons of the ecclesiastical year, and with so much that speaks to the eye in its ritual, offers advantages that have drawn within its fold large numbers of our silent brethren. It is hoped that the Rectors will search out the deaf-mutes who are near them and invite them to attend service, seeing that persons are appointed to show them the places in the Prayer Books and Bibles. After their education they are all able to read and write the English language.

THE TWENTY-THIRD ANNUAL REPORT

OF THE TRUSTEES OF

THE CHURCH MISSION TO DEAF-MUTES,

For the Year Ending September 30th, 1895.

We have felt the depression prevalent throughout our country, and our general income has been somewhat diminished, yet we bring our financial year to an end without any serious indebtedness. We were greatly helped by receiving \$1,000 from the estate of Mrs. A. L. Mildeberger and \$1,000 from Mr. Andrew Judson White. We refer our patrons and friends to the various annexed reports for the details which mark the progress of the different departments of our Society.

Our whole mission is maintained by charitable donations and the offerings of churches, specially on the twelfth Sunday after Trinity, when the Gospel recites the cure of the deaf and dumb man by our Lord and Saviour, Jesus Christ.

We need money to pay the moderate salaries of our General Manager, the Rev. Thomas Gallaudet, D. D. ; the Assistant General Manager, the Rev. John Chamberlain, and the Lay-Readers, Messrs. W. G. Jones and C. W. Van Tassell. These missionaries conduct sign-services in St. Ann's Church ; temporarily worshipping in St. John the Evangelist's Church, at the corner of West 11th Street and Waverly Place ; St. Mark's Church, Adelphi Street, Brooklyn ; Pro-Cathedral, Amsterdam Avenue and 110th Street, New York ; St. Mark's Church, Tarrytown ; Church of the Good Shepherd, Newburgh ; St. Peter's Church, Port Chester ; St. Paul's Church, Bridgeport ; Chapel of the Intercession, Boulevard and 158th Street, New York ; Trinity Church, Newark, and our Home for Aged and Infirm Deaf-Mutes, besides fulfilling other occasional appointments.

We need money for our Charity Fund, from which the sick and needy and those out of employment are relieved. While the great majority of deaf-mutes, after they leave school, do well and support themselves, there are constantly appearing quite a number who need help, but are not proper candidates for our Home.

We need money also to maintain the Gallaudet Home for Aged and Infirm Deaf-Mutes, so pleasantly situated on our farm of 156 acres by the Hudson River, six miles below Poughkeepsie. We would like to increase the number of inmates as soon as we have the means for their support. We refer to the reports of the very efficient Board of Lady Managers and the Standing Committee for the encouraging details of another year's progress. The religious atmosphere of the Home is one of its most comforting features. The officers and inmates have the privilege of receiving the Holy Communion in the Chapel on the second Sunday of each month.

Changes have taken place during the last year. First, Mr. Isaac B. Gardner resigned his position as Supervisor to accept an invitation from Principal Currier to be connected with the N. Y. Institution for Deaf-Mutes. We parted with Mr. Gardner regretfully, feeling that he had been of great service during several years to our Home. We shall ever keep him in our grateful memories and wish him success in the battle of life. The Ladies appointed Mr. Loder to act as Janitor. Then we passed through other changes. The Matron, Mrs. Sophia Nicholson, who had for four years shown her devotion to the Home in many loving ways, resigned, carrying with her the best wishes of all who had known her. Mr. Loder also resigned after a short, faithful service. Then the Board of Lady Managers appointed Mrs. Edith A. Davis as Matron and Mr. Hezekiah Gardner as Janitor. We trust that they may prove the right persons in the right places. It is understood that the Board of Lady Managers, to whom the Domestic Department of the Home has been intrusted, report their proceedings to our Standing Committee.

The Home has received \$3,350 from the estate of the late Capt. A. G. Babcock, of Richmond, Virginia. The legacy was \$5,000. It is hoped the remainder will come in due time.

This sum, \$3,350, has been added to the Home Endowment Fund, making it now \$13,550.

We acknowledge with hearty thanks the kindness of Mrs. W. W. Smith, of Poughkeepsie, in giving a double set of furniture for one of the women's rooms.

Legacies should be left to "The Church Mission to Deaf-Mutes," incorporated in the year 1872, under the general laws of the State of New York *in trust for* the Gallaudet Home for Deaf-Mutes.

We congratulate the General Manager and his wife upon the memorable celebration of their golden wedding at the N. Y. Institution for the Deaf and Dumb, July 15th, 1895.

We have taken a special interest in the visit which our General Manager has made to deaf-mutes and their friends in the United Kingdom. During the months of August and September he was busy in trying to promote the best interests of our silent brethren, preaching in churches and addressing meetings. He has maintained that, in the education of the deaf and dumb, the greatest good to the greatest number can be accomplished by uniting the manual and oral methods into one combined system. He has also urged the strengthening the missions to the adult deaf and dumb in the larger cities, and of increasing their number. He has shown the necessity of increasing the number of well qualified missionaries, training deaf-mutes for this important work, as we have done in our own country. We trust that his labors, so kindly and hospitably received, will be productive of abundant fruits. Our General Manager brought his most interesting visit to a close by speaking at the Congress of the English Church in Norwich on "The Church's Care of the Deaf and Dumb."

Realizing that a mission of increasing importance and interest has been intrusted to our care, we commend our twenty-third annual report to all our friends and patrons.

NEW YORK, November 11th, 1895.

N. B.—Clothing for poor deaf-mutes has been thankfully received from Mr. Wesserman, Mr. Rogers, Mrs. Thorndyke, anonymous friends, Miss Hampton, Mrs. E. Souweine, Messrs. H. B. Claflin Co. through Mr. Thayer, Mrs. Ford, Mrs. F. Kremer and others.

For the Gallaudet Home, clothing from Mrs. Roome and Mr. G. Fessenheim, crockery, etc., from New York deaf-mutes, newspapers and pamphlets from publishers and other friends.

The following tribute to the memory of Mr. P. P. Dickinson was adopted at the annual meeting, November 25th, 1895 :

We have sustained a great loss in the death of the Second Vice-President of the Board of Trustees of "The Church Mission to Deaf-Mutes," Mr. Pomeroy P. Dickinson. After a lingering and painful illness, which he bore with Christian fortitude and cheerful resignation to his Heavenly Father's will, he was borne by the angels to Abraham's bosom on the 4th of October, 1895, being in his 69th year. The Rev. Dr. Krans, Rector of St. Ann's Church, conducted the funeral service at Mr. Dickinson's late residence, 44 West 72d Street, on Sunday afternoon, October 6th, and on the following day committed the body to the ground in the family lot at Woodlawn Cemetery, looking for the resurrection in the last day and the life of the world to come, through our Lord Jesus Christ.

For many years Mr. Dickinson had been the Senior Warden of St. Ann's Church for Deaf-Mutes, and a Trustee of the Church Mission to Deaf-Mutes. As the Chairman of the Standing Committee of the Gallaudet Home for Aged and Infirm Deaf-Mutes, he devoted much time and attention personally to the promotion of its growth and usefulness. He was greatly interested in the additions and improvements which were made to the buildings in 1893-4. He was a tower of strength to all who were striving to promote the temporal and spiritual welfare of adult deaf-mutes. He had a brave heart and willing mind, always encouraging those who were trying to discharge the duties specially intrusted to them. He was universally beloved and esteemed in all the relations of domestic, social, business and ecclesiastical life, and his example may well be followed by those who desire to accomplish the most good in their earthly pilgrimage and to have a reasonable hope of enjoying the happiness promised to the people of God, of enjoying the happiness promised to the people of God, of enjoying the happiness promised to the people of God, through Jesus Christ our Lord and Saviour.

The family and relatives have, in their great sorrow, the comfort of realizing that he whom they loved accomplished a great work in his day and generation as a follower of the compassionate Saviour, and he has entered into rest.

The Standing Committee of the Gallaudet Home for Deaf-Mutes present the report of the General Managers as giving a brief account of the year's progress.

From the information contained in the reports of the Board of Lady Managers and of the Treasurer of the Farm Department and from other sources, I can encourage the Committee to feel that the affairs of the Home

are moving on in the right direction. The recently appointed Matron and Janitor of the Domestic Department have assumed their responsibilities in the right spirit and have given satisfaction. Our worthy friend, who has so long acted as the head of the Farm Department, has been discouraged by the drought. He has done the best he could under all the circumstances and reports sales for the year amounting to \$837.44, chiefly from asparagus and strawberries. He will be obliged to buy more feed than usual for the coming winter.

We appreciate what has been done by the Board of Lady Managers under the guidance of their judicious and energetic President. They have done much to make the inmates comfortable and happy. They report for the year ending September 30th, 1895, an income of \$3,514.37, with which they paid off the deficit at the beginning of the year. \$766.01, and the accruing current bills, except those amounting to \$623.02. This constitutes their indebtedness at the beginning of the present year. The total receipts of the farm amounted to \$2,329.69, paying last year's deficit of \$475.71 and current expenses, with a debt, September 30th, 1895, of \$355.19.

Services are held every Sunday and family prayers daily during the week. Grace is said at the meals. The inmates live in a religious atmosphere which helps them in their preparation for the life beyond the grave.

Mrs. Starr died in September. Mr. Hatch and Miss Smith have recently been taken to their rest. The bodies of the two latter were buried in our Home Cemetery, which ought to be improved as soon as practicable. The Committee on Admissions ask the approval of the Standing Committee for their reception of Mrs. Mary Ann Clark and Miss Mary Lockwood as inmates. The present number is twenty-two, fourteen women and eight men. The Committee on Admissions also ask the approval of their reception of Isaac Van Velsor as an inmate. I expect to take him to the Home to-morrow. I trust that during the coming year the mortgage of \$7,500 upon the Home may be cancelled.

We have sustained a great loss in the death of Mr. Pomeroy P. Dickinson, the Second Vice-President of "The Church Mission to Deaf-Mutes," and the Chairman of this Standing Committee. He passed away from earth to Paradise on the 4th of October, 1895. His funeral was held at his late home, 44 West 72d Street, on Sunday afternoon, October 6th, the Rev. Dr. Krans officiating. The next day the body was committed to the ground in the family plot at Woodlawn Cemetery. We shall greatly miss the influence and example of this courteous, efficient, Christian gentlemen, who has done so much to promote the welfare of deaf-mutes.

Respectfully submitted,

THOMAS GALLAUDET,
General Manager.

ANNUAL REPORT OF THE BOARD OF LADY MANAGERS OF THE GALLAUDET HOME FOR DEAF-MUTES, OCTOBER 10th, 1895.

The condition of the Gallaudet Home, for the year just closed, 1894-5, has been most satisfactory.

The buildings are all in order, and the number of inmates constantly increasing.

There are at present in the women's department fourteen (14) inmates, and in the departments appropriated to the men nine (9) inmates.

These will both be added to in number as the financial condition of the Home improves.

There are constant applications for admission to the Institution, and inmates are received as rapidly as the receipts warrant. Our President has, during the past summer, received applications from eight of these afflicted people from different parts of the State, asking to be admitted, but it is found impossible to receive them all. Two have been admitted, Mrs. Lockwood and Mrs. Clark. Mrs. Starr, who has been very feeble during the summer, died September 9th, and was interred in the Rural Cemetery, in Poughkeepsie, on the 11th, the Reverend Mr. Chamberlain officiating at her funeral. Two of the ladies of our Board attended the funeral services, remaining at the Home for two days previously, in order to attend to and perfect all the arrangements.

Mrs. Totten and Mary Smith, the two oldest remaining members of the household, are very infirm, but the general health of the inmates, considering their advanced age, and the feebleness and infirmities naturally resulting therefrom, has been good for the past year.

The resignation of our Matron, Mrs. Nickerson, was accepted in June last, and, as her successor, we have been fortunate in securing the services of Mrs. Davis, who is able in her management of the Home and inmates, and possesses a happy influence over them as well. We also accepted the resignation of Mr. Loder as Janitor, and Hezekiah Gardner was appointed to succeed him in office. Mr. Gardner is doing very well in his position; he is proving himself useful and efficient.

Our many friends here indeed remembered us during the winter months past. Our Thanksgiving basket, our Christmas donations, and our Easter basket were most generous.

The annual Gallaudet Lawn Party was this year changed into a Home festival, and held in the Masonic Temple, in Poughkeepsie, which building was kindly presented to us for that occasion free of charge for our use. It was not, however, as great a success as when held at the Institution, many

preferring the pleasant drive to New Hambrgh, and the awakened interest that naturally attaches to a visit to the beautiful Home and meeting the inmates upon their own grounds, thereby gaining a knowledge of their everyday life and surroundings.

The Matron reports the number of visitors for the past year at 222.

Divine service has been conducted in the Chapel of the Institution by the Rev. Dr. Gallaudet, Rev. Mr. Chamberlain, Mr. William J. Nelson, Mr. Van Tassel, Mr. McMann, Mr. Fitzgerald and Mr. Chester Mann.

We feel deep sincere regret at the critical condition of health of Mr. P. P. Dickerson. He has ever been our warm, trusted friend and adviser, a Trustee and Chairman of the Executive Committee in New York. Mr. Dickerson has our great sympathy in his severe illness.

Dr. Gallaudet, our head and front in this appealing charity, whose name our Home bears, has had a most eventful year, even in his own eventful life. His Golden Wedding was celebrated in the early summer at the Institution for the Deaf and Dumb, at 163d Street, on the Hudson. Here with his lovely wife, and surrounded by his children, he received in his incomparable manner the warm congratulations of his hosts of friends.

Dr. Gallaudet, later in the summer, visited Europe, where he had been invited to speak at Dublin, Ireland, upon "The Higher Education of the Deaf in the United States." Crossing on the steamer with Dr. Gallaudet, one of the passengers, after talking with him in regard to his work, presented him with his check for one thousand dollars.

May our tribute to Dr. Gallaudet, as our successful leader, be strong. His whole life is passed in untiring, unselfish effort for the advancement and well-being of others, and, surely, he has earned and will reap his reward.

May, also, we add a word of acknowledgment to our President, Mrs. Cornelia M. Nelson, of Poughkeepsie, whose great executive ability and wonderful tact in overcoming difficulties, has so aided us as she gracefully presided at our meetings.

We wish to tender our heartfelt thanks to all our many friends who have assisted us by their generous contributions and efforts in different ways. Our Home will advance surely and steadily, we are assured, until it stands foremost among the noble charities of the State, and the name of Dr. Gallaudet will be grandly perpetuated by this enduring monument.

Respectfully submitted,

KATHARINE AYMAR F. ROBERTS,

Secretary of the Board.

Since writing the above, we have learned of the sad termination of the illness of Mr. Dickerson. He expired at his residence in New York, Friday, October fourth.

REPORT OF THE GENERAL MANAGER.

FOR OCTOBER, NOVEMBER, DECEMBER AND JANUARY.

During these four months, I held a service for deaf-mutes every Sunday—most often in St. Ann's Church, New York City; several times in St. Mark's Church, Adelphi Street, Brooklyn; twice in Trinity Church, Newark; twice in the Chapel of the Intercession, New York; once in the Church of the Good Shepherd, Newburgh; once in the Pro-Cathedral, New York, and twice in the Chapel of the Gallaudet Home for Deaf-Mutes.

The 22d anniversary of our Society was held on Epiphany afternoon in the Church of the Heavenly Rest, New York. I gave some extracts from the report, and set forth the position which is occupied by our organization. The Rev. Thomas B. Berry, of Buffalo, assisted me in interpretations of the service and address for the deaf-mutes, who formed a part of the congregation. January 13th, the Rev. Mr. Berry officiated at the 2.45 P. M. service for deaf-mutes in St. Ann's Church, New York. I was busy all that day in church work among deaf-mutes in Boston, Salem and Lynn. The following day I visited the school for deaf-mutes in Beverly. On Wednesday night I lectured on improving opportunities before the Gallaudet Society of Deaf-Mutes in Boston, and got home the next day. During these four months I was busy in collecting money to meet our general expenses and also to support the Home. The Building Fund of the latter needs additions. I have conducted a large correspondence in the interests of deaf-mutes. I have found places for quite a number and have ministered to many in sickness and poverty. Pastoral work among deaf-mutes after they leave school is largely instrumental in promoting their temporal and spiritual welfare.

REPORT OF THE GENERAL MANAGER.

FOR FEBRUARY AND MARCH, 1895.

On six Sundays I conducted the Sunday afternoon sign-services in St. Ann's Church for Deaf-Mutes. I interpreted the Ash Wednesday services and the Wednesday evening Lent services. On Sunday, March 10th, I officiated at two services in the Chapel of the Gallaudet Home for Deaf-Mutes. On Sunday P. M., March 17th, I took the service in St. Mark's Church, Brooklyn, and on the 31st in the Pro-Cathedral, Amsterdam Avenue and 110th Street. In these various services, I have the privilege of meeting a large number of deaf-mutes and of trying to lead them along the Christian pathways.

During these two months, I conducted funeral services for four deaf-mute communicants: Mrs. Caldicott, in Newark, Miss Brown in Brooklyn, and Mrs. Soper and Mrs. Persenheim in New York.

I was very thankful when my esteemed co-worker, Rev. John Chamberlain, was able to resume his duties after a long and severe illness. He, Mr. Jones, Mr. Van Tassell and I have been able to keep the appointments for services for deaf-mutes in Brooklyn, Newark, Newburgh, Port Chester, Bridgeport and the Chapel of our Home for Deaf-Mutes.

I have been very busy in finding work for the unemployed, ministering to the sick and needy, and carrying on a large correspondence concerning matters growing out of our mission to deaf-mutes. I have also worked hard to get money to meet the general expenses of our Society and to support our Home, etc.

GENERAL MANAGER'S REPORT.

APRIL AND MAY, 1895.

During Holy Week, beginning with Palm Sunday, April 7th, I held services for deaf-mutes and interpreted in combined services in St. Ann's Church, New York. On Easter, the 14th, I conducted the 2.45 P. M. service for a very large congregation of deaf-mutes in St. Ann's, 50 or 60 received the Holy Communion. On Sunday P. M., the 21st, we had our closing service in the dear old church. The next day the clergy and people of St. Ann's began their connection with the Rector and people of the Church of St. John the Evangelist (Wianwright Memorial), corner of West 11th Street and Waverly Place, with daily services at 9 A. M. and 4.30 P. M. I interpreted for deaf-mutes who generally attended the morning services. We began our Sunday services on the 28th. The deaf-mutes were much pleased with the arrangement. They said the light was better than at St. Ann's. I was thankful that my new home, provided by the Vestry of St. Ann's Church, at 114 West 13th Street, was so near our temporary place of worship. We shall have to wait some time before we build the new St. Ann's with its parish buildings on 148th and 149th Streets, between Amsterdam Avenue and the Boulevard. At our first Sunday afternoon service for deaf-mutes in St. John the Evangelist Church, I had the pleasure of interpreting encouraging addresses from the Rector, Rev. Dr. De Costa, and the Rev. Dr. Krans.

On Sundays, May 5th and 19th, I conducted the P. M. sign-services in St. John the Evangelist's Church, and also interpreted at the night service on Ascension Day, May 23d. On the 12th I was at the Gallaudet Home for Deaf-Mutes, conducting the Holy Communion service in the Chapel. At night I preached in Christ Church, Poughkeepsie, alluding to the Home and mission work among deaf-mutes.

On Sunday, May 28th, Rev. Mr. Koehler, Pastor of All Soul's Church for the Deaf in Philadelphia, and I made an exchange. On Monday evening I lectured to my deaf-mute friends in Philadelphia.

On Tuesday, Rev. Mr. Koehler and I visited the Pennsylvania Institute for Deaf-Mutes in Mt. Airy, Philadelphia, and called on the Rt. Rev. Bp. Whittaker.

We helped quite a number of deaf-mutes in trouble during April and May from the Charity Fund of our Society.

May 1st I attended the Presentation-Day exercises of Gallaudet College for Deaf-Mutes in Washington, D. C.

I interpreted at the examination of Mrs. E. C. Benedict, deaf-mute, by Dr. Webster, and also at the confirmation in St. John the Evangelist Church, May 10th, three deaf-mutes were confirmed.

April 24th I married Mr. McMann and Miss Nelson in Poughkeepie.

THOMAS GALLAUDET,

General Manager.

REPORT OF THE GENERAL MANAGER.

FOR JUNE, JULY, AUGUST AND SEPTEMBER, 1895.

During the first part of these four months, I attended to my regular duties, holding sign-services at the appointed places, helping deaf-mutes in trouble and conducting quite an extensive correspondence in relation to the work connected with our Society. On the 2d of July I was present at the opening of the Fourteenth Convention of the American Instructors of Deaf-Mutes at the Michigan Institution for Deaf-Mutes in Flint. I remained there for a week enjoying the hospitality of Superintendent Clark and his co-workers. I made an address on "Signs are to the Deaf what Sounds are to the Hearing," and did all in my power to favor the combined system of educating deaf-mutes. On Sunday, July 7th, we had a combined service in St. Paul's Church, Flint. I interpreted the service and my brother, Dr. Edward M. Gallaudet, President of the National College for Deaf-Mutes in Washington, interpreted my sermon on "Thy Will be Done." The Convention was a success and advanced the best methods of teaching deaf-mutes under the combined system.

July 15th my wife and I enjoyed the celebration of our golden wedding at the New York Institution for Deaf-Mutes, Washington Heights, under the direction of a committee of deaf-mutes, who had the co-operation of our silent friends in New York and Brooklyn and other places in the State of New York, and also in Philadelphia and Boston. As a souvenir will soon be published, I will not enter into details. The addresses and presents were most satisfactory. They were received with heartfelt thanks. May God bless all who made my wife and me so happy.

A few good friends on both sides of the ocean having made up a purse to defray my expenses, I sailed from New York in the "Campania" on

Saturday, the 27th of July. A fellow-passenger, Dr. Andrew Judson White, greatly encouraged me by a donation of \$1,000 to the "Church Mission of Deaf-Mutes." I sent \$500 to the Home and \$500 for the general expenses of our Society. Having made a short visit in Cork to Mr. Bence, the lay missionary among deaf-mutes, I reached Dublin Friday evening, August 2d, where I was the guest of the Committee of the Congress of the British Deaf and Dumb Association, beginning on Tuesday, August 6th.

This Congress was composed of prominent deaf-mutes from the United Kingdom, with quite a number of their hearing and speaking friends. Papers were read, followed by discussions, on many practical points in relation to the education of deaf-mutes and the importance of missions among them after they left school to engage in their life-work. I read a paper on "The Higher Education of Deaf-Mutes in the United States." The proceedings were conducted simultaneously in the sign-language and with the voice so that all could understand what was going on. The Committee in charge of the Congress were Messrs. Hewson, Harris and Maginn. They did their work well. The Archbishop of Dublin, Lord Plunkett, was very kind and attentive. He presided at the opening meeting and delivered a very helpful address. I had the honor of receiving, at this meeting, a beautiful illuminated address from my deaf-mute friends of the United Kingdom. I was deeply moved at this manifestation of kind appreciation of my life-work. His Grace, the Archbishop, had a special Communion service for us on Wednesday forenoon in St. Patrick's Cathedral, and also welcomed us to his garden party at his beautiful country residence near Bray. On the first Sunday I assisted in the services for deaf-mutes, and on the second I preached for the Association in two of the Dublin churches. Having visited friends in England, Mr. and Mrs. Lyman and others, I reached Courtrai in Belgium Saturday afternoon, August 17th, and on the following Monday I took part in the inauguration of a statue to the memory of Monseigneur Du Haerne, a distinguished educator of the deaf and dumb, who died in 1890 at the age of 86. By invitation of Bourgomaster Reyneart I was a guest of the City at the Hotel du Nord. Returning on Tuesday to England, I visited Rev. Mr. Gilby, of St. Saviour's Church for the Deaf and Dumb in London; the Rev. Mr. Ware, in Worcestershire, and the Rev. Mr. Sleight, Vicar of St. Katharine's Church, Northampton, trying wherever I went to help forward the work among deaf-mutes.

By boat from Fleetwood, I reached Belfast August 29th, and became a guest of the Mission Hall for Adult Deaf and Dumb, where I received kind hospitality from Mrs. Harris, Mr. Harris and Mr. Maginn. I spent the month of September in Ireland. I preached in aid of missions to deaf-mutes in various churches in Belfast, Derry, Bundoran, Kinlough, Monks-town and Queenstown. I addressed several meetings and drawing-rooms and was everywhere received most kindly and hospitably. I was glad to have visits with Mr. and Mrs. Johnston at Mount Prospect, and Mr. and Mrs. Kingstone at Mosstown. Mrs. Johnston and Mrs. Kingstone are sisters of the late Miss Tredennick, who was one of the best friends of deaf-mutes in Ireland, and the founder of the Mission Hall in Belfast. I was thankful

I could be present at the Annual Communion Service and Social gathering of deaf-mutes from the southern portion of Ireland. The service was held in St. Mary's Church, Shandon, in Cork, and the social gathering in the schoolhouse. It was my privilege to interpret the sermon by the Lord Bishop of Cork. I took the boat from Cork to New Milford and by train reached Winchester Saturday evening, Oct. 5th, to be the guest of the Rev. Mr. Pearce and wife. Mr. Pearce is the only deaf-mute in orders in the United Kingdom. On Sunday, Oct. 6th, I assisted Rev. Mr. Pearce in the services of the beautiful church for deaf-mutes in Southampton. The day was kept as a Harvest-Home Festival. The church was tastefully decorated with vines, flowers, fruits and vegetables. After the evening service, I returned to Winchester with my friends and the next evening reached Norwich as the guest of Mr. and Mrs. Robinson during my attendance on the Congress of the English Church at which I spoke on "The Church's Care of the Deaf and Dumb." On Saturday, at 4.30 P. M., Oct. 12th, I left Liverpool in the "Campania," reaching New York Friday evening, Oct. 18th. I was again encouraged by a donation from a fellow-passenger of \$250 for our Society. Returning with renewed health and strength I was deeply grateful to our Heavenly Father for a most memorable visit in which recreation and work were combined and generous hospitality received. I regretted exceedingly that I was away at the death and funeral of my beloved and esteemed friend of many years, Mr. Pomeroy P. Dickinson. It was a great comfort to me to find that our Assistant General Manager, the Rev. John Chamberlain, had been so successful in all the details of our Society's work, aided by our lay-readers, Messrs. Jones and Van Tassell. Ready for continued work on the lines marked out by our Society,

I am, yours respectfully,

THOMAS GALLAUDET.

All of January and a part of December I was confined at my home by a severe sickness, from which, by the goodness of God, I have now nearly recovered.

THE REV. THOMAS B. BERRY,

Rector of the Church of the Good Shepherd, Buffalo, N. Y., reports that, during the summer, afternoon services for deaf-mutes were held in this Church. He officiated once and Rev. Mr. Dantzer and Mr. Cornelius, lay-readers, at other times. He has helped on work among deaf-mutes by giving his oldest daughter to be a teacher in the New York Institution.

REPORT OF REV. C. ORVIS DANTZER,

MISSIONARY, SYRACUSE, N. Y.

As time goes on the missionary finds the work more difficult. He has to travel about a good deal and look up all who are in need of the ministrations of the Church; but to do this satisfactorily is a matter of great difficulty. For of the nearly two thousand deaf-mutes scattered throughout the two dioceses but a small proportion are regularly reached. And it sometimes happens that while the missionary is in one part of the field fulfilling appointments, he is called to another distant point for some urgent office of the Church. In spite of the disappointments of the missionary the work is bearing abundant fruit. The services generally are well attended in the different places, and some are showing their interest in the mission by working for it.

There are now branches of the Ephphatha League in Buffalo, Rochester, Syracuse and Oneida. These organizations have for their main object the support of the mission, but they also endeavor to help those in distress and want when possible. At Utica they recently had a very successful "sale and supper," at which they netted over fifty dollars. In Buffalo a pantomime entertainment was held which brought in nearly sixty dollars.

Weekly services are maintained in St. James Church, Buffalo; Mr. Solomon P. Cornelius, lay reader, assisting. Monthly services are maintained in the other large places, while occasional services are held in the smaller places. The following churches and places have been visited: St. James, the Church of the Good Shepherd and St. Thomas, Buffalo; St. Paul's and St. Luke's, Rochester; St. Peter's, Geneva; St. James', Watkins'; St. Paul's, Syracuse; St. John's, Auburn; Christ Church, Oswego; Christ Church, Binghamton; St. Paul's Owego; Grace Church, Cortland; St. John's, Oneida; Zion Church, Rome; Grace Church, Watertown; and Earlville, and Three Mile Bay; also Christ Church, Williamsport, Pa.; St. John's, Mission, Reading, Pa.; St. John's, Carlisle, Pa.; St. John's York, Pa.; Christ Church, Towanda, Pa.; Grace Church, Allentown, Pa.; Grace Church, Mt. Airy, Pa.; All Souls' Church for the Deaf, Philadelphia; St. Ann's Church for the Deaf, New York; Gallaudet Home for Aged and Infirm Deaf-Mutes, Wappinger's Falls, N. Y.; St. Paul's, Albany; St. Paul's, Troy; and Grace Church, Baltimore, Md. Total number of churches and places visited, 32; services

held, 207; baptisms, adult, 10; infant, 9; total, 19; confirmations, 15; married, 6; sick visited, 9; buried, 1.

Among those I have baptized this year was a family of blind deaf-mutes living near Elmira; the service, owing to the difficulty in reading it to them, was necessarily slow.

The Rev. J. M. Koehler, of All Souls' Church for Deaf-Mutes, Philadelphia, has assisted the missionary by taking up services in a few places and in administering the holy communion to a dying woman in Buffalo.

The mission is receiving better support this year than ever before, but still it has not received enough to keep the missionary in tolerable circumstance. It is desired that the deaf-mutes themselves should bear the traveling and incidental expenses of the missionary, while the offerings received from hearing persons are devoted to the missionary's salary. This year the deaf mutes failed, by \$36.47, to pay his expenses.

The usual acknowledgments are due to 'the Deaf-Mutes' Register, of Rome, N. Y., and the Deaf-Mutes' Journal, of New York, for publishing the appointments and notices of the missionary, also to the many self-sacrificing people in the different places, who have in many ways assisted in advancing the work of the missionary.

Offerings for the Mission to the Deaf in Central and Western New York are asked on the Twelfth Sunday after Trinity, or any other day. They may be sent to the undersigned, or to the Diocesan treasurers, Geo. J. Gardner, Syracuse, N. Y.; and C. Henry Amsden, Rochester, N. Y.

The total receipts from all sources for the missionary's salary and other expenses, \$1,381.60.

REPORT OF THE REV. S. STANLEY SEARING.

BOSTON, MASS., Oct. 23, 1895.

MY DEAR DR. GALLAUDET:—Your communication came this morning in which you ask me for some report of our work among deaf-mutes in New England. I can only speak for Boston, and not particularly for that much of the work, for my time has been so taken up with my duties as Chaplain of the House of Correction, that I have done little more than attend the greater number of Sunday morning services and see deaf-mutes in trouble or distress. You may be able to understand how busy I am at the Prison when I tell you that we have in the neighborhood of from six to seven hundred men and women in the institution, over whom the Chaplain is expected to exercise pastoral oversight. I have, therefore, been obliged to leave the details of the deaf-mute work in the hands of our lay-reader and treasurer, Mr. Frisbee, who has been a very efficient worker, and who, so far as he is able, has extended his lay ministrations into several parts of New England. I will ask him, therefore, to supplement this letter by giving some idea of his own work and the condition of the finances of St. Andrew's Mission, Boston. I will say in passing that since the Sunday service for deaf-mutes at the Y. M. C. A. Hall have been discontinued, we have had larger congregations, and we shall undertake, so far as we are able, to arrange with Prof. Williams to have him or one of his colleagues visit us on one Sunday in each month for a religious lecture in place of the regular sermon. Last month we had Prof. Clarke, and next month we hope, if possible, to have Dr. Williams with us. We trust in this way to encourage the work, the workers and the attendance—all for the spread of Christ's Kingdom among souls for whom He died and rose again, that they may "die unto sin and rise again unto righteousness." I hope all this will meet

with your approval, and that on one of the Sundays in December we shall have a visit from you, and receive the encouragement and strength which your coming always brings. Our collector has been doing good work. We have published no report as yet, but our treasurer makes a personal acknowledgment of all subscriptions, donations, etc., that are made in behalf of our work. The Finance Committee regulate our temporal affairs, and aid is given deaf-mutes in distress by their order, or by the treasurer under their authority. I hope the Committee will contribute to our lay-reader and treasurer the weekly salary he has received for his several duties, and that he may be able to extend his ministrations to all places in New England where there are deaf. We have received no special offerings from churches (to my knowledge) as the result of the 12th Sunday after Trinity appeal. Few churches have given anything to our work (unless given through the Episcopal City Mission Contribution) except Trinity, St. Andrews, Emmanuel, Boston; St. James, North Cambridge; St. John's, Jamaica Plain (several years ago, which I handed over to the Superintendent of the Episcopal City Mission); Grace, Newton; the parish at Hanover (through the rector); the parish at Watertown (through the rector), and individual offerings which have been made in memory of Bishop Brooks, and one offering made by Bishop Lawrence at the beginning of his episcopate. The persistency of Mr. Parcell, the Collector, and Mr. Small—one of the Committee—is to be commended for the way in which they have stirred up rectors and individuals to help the work. Many, however (not of the church), have given liberally, because they felt it was the only work of the kind in Boston, and that we were ministering to all in body as well as soul. May God bless the General Manager and his Assistant for their labor of many years, and give us grace to follow in their footsteps, that the deaf may hear the voice of the Master calling them to a more perfect service, and that although Paul has planted and Apollos watered, it is God Himself who gives the increase.

Very sincerely,

S. STANLEY SEARING,

Minister in Charge,

St. Andrews Mission for Deaf-Mutes, Boston.

REPORT OF MR. EDWIN W. FRISBEE,

LAY-READER.

Having been asked to send a report of my work for the year ending September 30th, 1894, I have great pleasure in doing so.

Faithful and loving pastoral care is what the deaf-mutes most need after leaving school.

One year ago I was re-licensed by the Rt. Rev. Bishop of Massachusetts. The record of the years work is as follows: I have attended three funerals out of town. I have served five successive terms as State Missionary to the

Granite State Mission of Deaf-Mutes, and have been authorized to conduct services once a month in New Hampshire. I officiated for deaf-mutes at St. Stephens', Lynn, eight times; in All Saints', Worcester, once, and in the Chapel of St. Luke's Cathedral, Portland, Maine, once.

There were two combined services at which I addressed in signs the deaf-mutes in the midst of congregations of hearing people in Laconia, N. H. I officiated in a hall in Salem five times; in Nashua, N. H., once; Keene, N. H., once; Manchester, N. H., once, and Concord, N. H., once. The greater part of the time covered by this report my services were required in connection with St. Andrew's Mission, Boston. I am unable to leave work and to extend the missions out of Boston and vicinity on week days regularly, for the missionary funds are not in such a condition as to warrant the bestowal of any amount on the deaf-mute missions of these parts. Mission work among them, though of the greatest importance, has made but very slow progress in Vermont, Reode Island and Maine, and in some parts of the country the mutes are deplorably neglected, as regards their spiritual welfare.

The Church, which has done so much to send the Gospel to heathen lands, has not, so far as I am aware, done but little for the deaf-mutes in New England, except Boston, though they are in its very midst and as much in need of the Gospel as the heathens. What I most desire is that the Church, as a powerful agency, should acknowledge its duty to the deaf-mutes. And let me, one of the many whom the Almighty has seen fit to deprive of hearing, implore it to do what it can for its silent members, who will ever be grateful for such help and support.

St Andrew's Mission has been in existence since May 1, 1892. Weekly services have been regularly held at St. Andrew's Hall, No. 38 Chambers Street, Boston. The attendance at the services is good, and we feel that God is wonderfully blessing the efforts of the Mission, and that it will long continue to exercise a good influence in keeping the cause of Salvation before the community.

Let us, brethren, unite in doing what good we can among those committed to our care, and, when the Chief Shepherd shall appear, we shall receive a crown of glory that fadeth not away.

Very respectfully,

EDWIN W. FRISBEE.

THE CHURCH MISSION TO THE DEAF AND DUMB

IN THE DIOCESE OF ALBANY, N. Y.

There are about 600 deaf and dumb people scattered over the Diocese of Albany. Nearly all of these have received a fair education and are upright and useful citizens. Their deafness entirely cuts them off from ordinary religious privileges, although by reason of their own loneliness and isolation they need their uplifting and restraining influence even more than

their hearing brethren. In the language of signs the deaf possess a very complete and facile means of communication, and the simple and beautiful services of the Episcopal Church, rendered in the sign language, have been found to appeal very strongly to their minds and hearts. At present there are about ten clergymen engaged in this work, about half of whom are themselves deaf. In the Diocese of Albany the work is under the direction of a Commission, appointed by the Diocesan Convention of 1894. Services are now held regularly in the larger cities, and the results have proved most gratifying.

The deaf are too few for denominational divisions, and, irrespective of creed, they heartily welcome these efforts to assist them. While under the control of, and largely supported by, the Episcopal Church, the Mission endeavors to aid the deaf of all faiths. The work is purely a mission and must always remain so. The deaf do what they can to support it, but outside assistance is absolutely necessary.

Further information will gladly be given by the members of the Commission, or by the Missionary.

Profs. W. G. Jones and C. W. Van Tassell

have been very busy during the year. In connection with the General Manager and Assistant General Manager, their services have made it possible to minister to our deaf-mute brethren in three churches of New York City, and in one church in each of the following places: Brooklyn, Newark, Tarrytown, Newburgh, Portchester, Bridgeport—besides the Chapel of the Home for Aged and Infirm Deaf-Mutes. The success of these deaf lay-readers is most gratifying and satisfactory.

Mr. Samuel M. Brown

is the duly authorized collector of our Society for the City of New York and the Diocese of Newark. The donations received through his efforts are acknowledged on another page.

Mr. William G. Gilbert

is the duly authorized collector for Brooklyn and the other parts of Long Island. His collections are reported on another page.

Mr. Chester Q. Mann

has been appointed as collector for the Gallaudet Home for Aged and Infirm Deaf-Mutes. His field is the State of New York, excepting the portions referred to above. His report follows those of the two other collectors.

PRAYER FOR THE DEAF.

O GOD, our Heavenly Father, Whose dearly beloved Son Jesus Christ, when He dwelt on earth, went about doing good; unstopping the ears of the deaf, and loosening the tongues of the dumb; look down with loving eyes upon all Thy deaf and mute children, and give them the special blessing of Thy mercy and grace. Let Thy fatherly hand ever be over them: let Thy holy spirit ever be with them; so that they may learn the truth as it is in Jesus, and believe in and rest upon Him as the Saviour of their souls, and find in Him that joy and peace which the Holy Ghost alone can bestow. Be with them, we beseech Thee, in all the trials and duties and dangers of this life, and may they so live in Thy fear and love here, that in the world to come they may ever, with open ears, and loving tongues, send forth Thy praise in Thy heavenly kingdom.

Hear us, Oh, Lord God, through Thy Son Jesus Christ, to Whom, with Thee, O Father, and Thee, O Holy Ghost, be all honor and glory, now and forever. Amen.

Written and set forth by Bishop Stevens of Pennsylvania, Feb. 6th, 1881, and authorized in various Dioceses. Also suggested for private intercession, on Thursday; on which day a simple Prayer, written by Bishop Alexander of Derry, is used in Great Britain and Ireland.

THE GALLAUDET HOME FOR DEAF MUTES.

POUGHKEEPSIE, N. Y.

P. O., WAPPINGER'S FALLS.

R. R. STATION, NEW HAMBURGH.

THIS HOME which was founded December, 1885, by
The Church Mission to Deaf Mutes,

is admirably situated in the centre of a fine farm of one hundred and fifty-six acres, extending from the turnpike between New Hamburg and Poughkeepsie, to the banks of the Hudson river.

The Farm is enclosed by a substantial stone wall, and is in a high state of cultivation—its products finding a ready sale in Wappinger's Falls and Poughkeepsie.

On entering the gate from the road, and crossing a creek of never failing pure water, there is seen on a high knoll, the farm-house with its surrounding barns, stables, carriage-house, cattle yard, etc. A broad macadamised avenue, bordered with pines and other trees, forming a shady arch, winds through the farm to the circle at the Mansion. (*See Photograph.*)

This is a commodious edifice substantially built of stone and brick, with a chapel, library, dining-room, and several large dormitories. This handsome building covered with vines, and surrounded by trees, is situated on a high bluff, overlooking the Hudson. The view from the front, over the lawn, and down the river towards Newburgh, the Storm King and Anthony's Nose, is romantic in the extreme, and breathes of peace and rest, from the trials, tribulations, and cares of this world.

The bluff on the river, with its valuable limestone quarries, is covered by several acres of woodland. Across the railroad track is an eligible waterfront, with a convenient dock, where supplies can be delivered by boat; and the Railroad Company contemplate establishing a station, within five minutes' walk of the mansion, at Clinton Point.

In this Retreat, a "St. Johnland" for deaf mutes, it is proposed to gather the aged and infirm, and such others as may need fostering care after they leave school. It is expected that most of the inmates will be able to work on the farm, or in shops at various trades, thus contributing to the support of the Home. There will be frequent sign services in the chapel, and constant efforts put forth to lead these "children of silence" to believe in Him who said "EPHPHATHA" to the man that was deaf and had an impediment in his speech.

The object of this Home should be borne in mind, by all who desire that the Deaf Mutes should be made as happy and useful as may be consistent with their great deprivation. It is a Charity that appeals to the generous sympathy of all Christian people. Donations will be gratefully acknowledged by the General Manager.
